## Yamhill County

### Forestland Classification Committee Meeting

**When:** March 5<sup>th</sup>, 2024  
1 pm – 3 pm

**Location:** Yamhill Fire Department  
275 S. Olive Street  
Yamhill, OR 97148

**Purpose:** Annual meeting of the Yamhill Forest Classification Committee.

The Oregon Department of Forestry (ODF) provides fire protection on forest and grazing lands through a public-private partnership, funded by landowners and the state. Some of the private portion is collected through per-parcel fees. The state provides dollars through its General Fund, in recognition of the broader public role in wildfire protection. The committee meets annually to review the classification of lands as "forestland" or "not forestland" according to fire risk potential, vegetation type (fire fuel), community structure, and proximity to other forestland.

The purpose of the meeting is to keep the county tax information up to date for the purposes of wildland fire protection.
