Subject: Disposing of County Property
Importance: High

Good afternoon:

The District Attorney's Office is in possession of many old volumes of Oregon Revised Statutes. They are both out of date and no longer of any use. I believe they have no value.

I am asking permission to dispose of them, likely to recycling.

If I recall correctly, the Board needs to approve a request to dispose of County property, thus this email.

Brad Berry
Yamhill County District Attorney

Accepted by Yamhill County
Board of Commissioners on
4/3/14 by Board Order
14-187
