✓ Board of Commissioners:

We are beginning a significant upgrade of the Courthouse video camera system. The start of this project is to upgrade the core digital video recorders (DVRs). We have obtained three quotes to upgrade these DVRs from DND electronics(\$17,839.90), Siemens(\$10,724), and Azimuth Communications, Inc. Azimuth Communications was the low bid at \$10,561. A copy of their quote is attached. We are comfortable with the equipment and approach that has been proposed by Azimuth Communications and are confident that their proposal best meets our business needs for this project.

I am requesting that the Board authorize a Capital Improvement Project in this amount, and approve the acquisition of the DVRs from Azimuth as per their attached quote. If there are any questions about this, please don't hesitate to let me know.

Thank you,

Murray L. Paolo

April 28, 2014

Mr. David Bousquet

The following represents our proposed offering from Azimuth to Yamhill County Corrections to provide and install;

- Two (2) DIVAR IP 3000 video recorders each with 4TB of storage.
- Two (2) 16 Channel H.264 video encoders
- One (1) Monitor Wall
- 16 hours of commissioning

The 24 hours of commissioning is simply a place holder pending a better understanding of the scope relative to the task at hand.

Total Yamhill County Corrections project cost

\$ 10,561.00

I trust this is in line with what you were looking for. Should you have any questions, please give either one of us a call.

Thank you

Steve
