Hi Kathy and Laura,

Attached you will find a list of items that I recommend we declare as County surplus. These items total an approximate value of \$649.50 and are no longer needed for the Transition Treatment Recovery Services Program that is operated under our Adult Behavioral Health Division. If approved, they will be distributed to two (or more) faith-based charitable organizations where they can continue to be used by the community.

Please let me know if you have any questions.

Anne, please place this on this week's Agenda as "add-on" as we are hoping to do this on Friday, 5/7, in order to make arrangements for the program move in activities.

Thanks,
