MEMORANDUM

DATE: June 30, 2014
TO: Board of Commissioners
FROM: Russ Heath
SUBJECT: Motor Grader Replacement

74 JUL 10 P 4:04

Pape Machinery of Portland was awarded ODOT contract number B31853-2014 for the purchase of new All Wheel Drive Motor Graders. Each grader is offered with a full warranty and buy-back options of two years, three years and four years.

After close inspection we believe the three year buy-back option with the three year bumper to bumper warranty offered by Pape Machinery is the best fit for our needs. The three year option offers the lowest operating cost per hour option available.

The John Deere 772 GP All Wheel drive grader offered @ \$243,010.00 each with a three year buyback option of \$202,941.00 is the same model we currently own and plan to exercise the buyback option on.

Therefore, based on the above information, I would like to recommend a purchase of two new John Deere 772 GP all wheel drive graders from Pape Machinery for \$243,010.00 each. We will exercise the buyback option on our units 09-151 and 09-152.

Funds for this purchase are budgeted in the grader reserve fund of the Motor Vehicle Replacement fund for the 14/15 fiscal year. Public Works Grader 045-029-800.81.

Thank You

Russ Heath
