FROM: Roy Panschow, Road Supervisor

SUBJECT: Road Closure Request

The Roadmaster for Portland & Western Railroad has requested to close Rock Creek Rd. for two days on August 5th and 6th 2014 to perform some major upgrades. They will be replacing the existing rails with new 136lb. rails, install new ten foot ties and a new 36 inch culvert on the west side of the road.

They are also requesting to close River Bend Rd. on August 6th or the 7th for one day depending on the progress of the Rock Creek Rd. project. This crossing will not be as extensive of a repair and will be completed in 1 day.

Both closures will require residents to use alternate routes that will be clearly marked. Emergency services will notified of the upcoming road closures.

Thank you,

Roy Panschow
Road Supervisor
