RE: Recommendation of Dave Hanson as member of the Roadside Vegetation Management
Technical Advisory Committee

I would like to recommend that Dave Hanson be appointed to the Roadside Vegetation Management Subcommittee under RIAC as a replacement for Ken Marts, deceased. Mr. Marts was appointed on November 7, 2013 under BO#13-696 as one of the original committee members.

Dave has attended every meeting, as a citizen participant, since the first meeting in February 2014. He has been an active contributor to discussions, because as a naturalist and 29-year resident of Yamhill County, he is very interested in roadside vegetation management. He manages a seven acre property on Rock Creek Road, was a co-founder of the Native Plants Society of Oregon, served on the Yamhill County Watershed Council for 16 years, and currently serves on the Board of Natural Connections, a sub-board of the Yamhill County Soil and Water District which runs the Miller Woods non-profit programs.

Dave's insights and perspectives have been beneficial to the committee and he is willing to serve if appointed.

John F. Phelan
Director, Yamhill County Public Works
