Subject: Board Consideration: Board of Health Membership Changes

Hi Kathy and Laura,

Per a unanimous Board of Health motion on 9/10/14, I would like to request the Board's consideration to remove Robert Holveck, DVM, from the Board of Health. After multiple decades of public service on the Board, Mr. Holveck is retiring from Board of Health participation. Simultaneously, I would like to recommend the Board appoint Brandi Spence, MD, to the Board of Health. If approved, both of these requests can be effective the date of the Board action.

Dr. Spence was raised in Dallas, Oregon, and now practices with Dr. Neeld at Valley Women's Health. Dr. Spence graduated from Oregon State University, earned her medical degree from Loma Linda University, and then completed an obstetrics and gynecology residency in Asheville, North Carolina. The Board of Health believes Dr. Spence will add value to the efforts we make at Public Health to improve Maternal and Child Health outcomes across Yamhill County.

Please let me know if you have any questions.

Lucy, please place this on next week's Board Agenda.

/Keri, I'm not sure how the Board Committee rosters are now being maintained (in the absence of Barbara), but there is a Board of Health file that should be updated. Can you please send a copy to Rosa and Lindsey when complete?

Thanks!
