**Subject:** Board Consideration: Grant Application with State Prevention Agency

Hi Mary and Laura,

I would like to request the Board's consideration to apply for a \$10,000 non-competitive grant with the State Prevention Program of the Addictions and Mental Health Division. If approved, this grant will provide funding for a public service announcement (PSA) to be created and disseminated throughout the County. The focus of the PSA will be on problem gambling, specifically online gambling in college aged youth and will provide information about local resources should someone desire professional intervention or support. If approved, we have sufficient expense authority to accept the grant in fiscal year 2014-2015.

Please let me know if you have any questions.

Lucy, please place this request on next week's Board agenda for approval.

Thanks,
