MEMORANDUM

15 FEB 23 P4:17

DATE: February 17, 2015
TO: Board of Commissioners
FROM: Russ Heath, Shop Supervisor
SUBJECT: Vehicle Replacement

Public Works vehicle 96-52 a 1996 Freightliner dump truck with 381,000 miles and 20,100 hours is scheduled for replacement. This truck has some maintenance items that will need to be addressed soon if we continue to use it. We are requesting to replace it with a 2016 Freightliner FLD 122SD equipped with a Columbia dump body. I requested a bid from our nearest Freightliner truck dealer, Portland Freightliner. They suggested we use the Houston Galveston Area Council purchasing agreement that we are a member of.

The bid contract we received from HGAC for a new 2016 Freightliner 122 SD equipped with a DD15 engine, 18 speed transmission and a Columbia dump body totaled \$155,340.00. We noted \$140,000.00 in our 14/15 fiscal budget for the replacement of one dump truck. We also planned to use the residual value of unit 96-52 for the balance. Estimated value of unit 96-52 is \$20,000.00.

Based on the above information I would like to recommend purchasing one new 2016 Freightliner FLD 122 SD from Houston/Portland Freightliner for a total of \$155,340.00 I would also like to declare unit 96-52 surplus property to be sold on eBay to the highest bidder.

Funds for this purchase would come from Public Works portion of the Motor Vehicle Replacement Fund:

045-029-802.02

Thank you,

Russ Heath
