Information to assist the Board of Commissioners in considering your application (the back of this page may be used if more space is needed and a resume may be attached):

In 2002 my wife and I retired to Newberg where we own a 29.5 acre farm. Prior to retirement I was 1st Deputy Commissioner for the Westchester County (New York) Department of Environmental Facilities after a 31 year career. I am licensed as a Professional Engineer and was senior treatment plant operator in Oregon and New York.

I received my BS from Columbia University in Civil Engineering but my Masters and subsequent career were all in the environmental field.

I offer my services if you think my experience would be useful
