Allowable housing-related costs are for electricity, natural gas, water, and sewer only.

### 2. Standards and Procedures.

#### a. Service Authorization

- (1) DD 56 Rent Subsidy may be provided when:
  - (a) An eligible Individual's room and board costs exceed the amount that can be billed to the Individual's federal Supplemental Security Income (SSI) or equivalent sources of funds available to the Individual for these costs; and
  - (b) Other resources, such as federal housing subsidies, are either unavailable or insufficient to cover the Individual's household expenses, such as room and board costs.

  - (b) DD 142 Children's Residential Facilities Services; or

Once the Individual exits DD 51 Supported Living Services, the DD 56 Rent Subsidy funds will no longer be available to the Provider or the Individual. Any payments Provider receives, after the date the Individual is no longer eligible for DD 51 Supported Living Services, will be returned to DHS immediately.

- (3) The monthly rate for DD 56 Rent Subsidy in eXPRS is established by DHS. DHS may, at its discretion, develop a standardized application form to be completed by the Provider prior to any new or expanded DD 56 Rent Subsidy award and, periodically but no less than annually, to justify

continuation of DD 56 Rent Subsidy funding. Any such applications must be completed using the procedures designated by DHS.

- (4) DD 56 Rent Subsidy for an Individual must be authorized in advance by the DHS Office of Developmental Disability Services (ODDS). The advance authorization applies to, but is not limited to:

ODDS will review the DD 56 Rent Subsidy request and will determine the effective date and monthly rate. ODDS will notify the Provider if the DD 56 Rent Subsidy request has been approved or denied. ODDS will not approve retroactive requests for DD 56 Rent Subsidy.

The DD 56 Rent Subsidy request must include, but is not limited to:

  - (7) ODDS will authorize DD 56 Rent Subsidy for a specific Provider site and the Individuals in that site who qualify for DD 56 Rent Subsidy.
    - (a) If an Individual leaves a DD 50 Residential Facility, or a DD 142 Children's Residential Facility, that has been authorized to receive DD 56 Rent Subsidy, the DD 56 funds remain with the DD 56 Rent Subsidy authorized site and will be used for new qualified Individuals approved by ODDS for DD 56 funds.
    - (b) DD 56 Rent Subsidy funds do not transfer with the Individual to another site, County or Provider. DD 56 funds are awarded to a

Provider's site and stay with that site until the site is no longer authorized for DD 56 Rent Subsidy.

- (c) DD 56 Rent Subsidy funds are not transferable between service settings, sites, counties or Providers.
- (8) An Individual receiving DD 51 Supported Living Services and DD 56 Rent Subsidy, who moves from one DD 51 authorized site to another DD 51 authorized site, may request that the DD 56 Rent Subsidy funds to be transferred to the new DD 51 site, if the new site qualifies for DD 56 Rent Subsidy under this S&P.
- (a) Authorization from ODDS must be obtained in advance of the transfer of DD 56 funds to the new site.
  - (b) A Rent Subsidy Budget Worksheet for the new DD 51 site must be submitted to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) with the Individual's request to transfer the DD 56 Rent Subsidy funds. ODDS will use the Rent Subsidy Budget Worksheet to determine if the new DD 51 site qualifies financially for DD 56 funds and what the Individual's funding rate will be.
  - (c) The DD 56 Rent Subsidy funding rate at the Individual's new DD 51 site will be no more than the rate at the previous site and may be reduced.
  - (d) Transferring between DD 51 sites includes a transfer to a new DD 51 site with:

Provider will make this documentation available to the County or DHS upon request.

- (4) For each Individual eligible for DD 56 Rent Subsidy, the Provider must apply for Section 8, or other housing subsidies, within 60 calendar days of the date the Provider begins providing the ODDS authorized DD 56 Rent Subsidy Services.

For each residential site in which Individuals receiving DD 56 funds reside, the Provider must apply for Section 8 or other housing subsidies, within 60 calendar days of the date the Provider begins using the residential site.

The Provider must submit the application for housing subsidies to the local housing authority at the first opportunity set by the authority, if the first opportunity falls after the end of the 60 calendar day period described above.

- (5) Providers of DD 56 Rent Subsidy Services must provide written notification to DHS of any approvals of Section 8, or any other housing subsidies, for Individuals or residential sites, within 14 calendar days of receipt of the approval. Provider's notifications must be submitted to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) and must include, but are not limited to:
- (a) The name(s) of Individuals or residential sites for which subsidies have been approved;
  - (b) The address of the applicable residential site;
  - (c) The sources and amounts of the subsidies itemized by Individual or by residential site;
  - (d) The effective date of each subsidy; and
  - (e) A Rent Subsidy Budget Worksheet for each site.
- (6) A Provider receiving DD 56 Rent Subsidy for an Individual receiving DD 50 Residential Facility Services or DD 142 Children's Residential Facility Services must, when the Individual exits the site, notify DHS, within 14 calendar days of the exit date, by submitting the following information, at a minimum, to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) :
- (a) Individual's name,
  - (b) Individual's prime number,
  - (c) Address of the residential site, and
  - (d) Exit or effective date.
- (7) A Provider receiving DD 56 Rent Subsidy for an Individual receiving DD 51 Supported Living Services must, when the Individual exits the DD 51 Services, notify DHS, within 14 calendar days of the exit date, by submitting the following information, at a minimum, to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) . The Provider will no longer be authorized to

receive DD 56 Rent Subsidy funds for the Individual, for the authorized site, or both.

- (a) Individual's name,
- (b) Individual's prime number,
- (c) Address of the residential site, and
- (d) Exit or effective date.

**c. Special Reporting Requirements**

At any time, DHS may request special reports or other information about the use of DD 56 Rent Subsidy or the justification of such Rent Subsidy at any given site from County or Provider. DHS will provide instructions and a reasonable timeframe for delivery of the requested reports or information.

**3. Billing and Payment Procedures.**

- a. Provider will submit a DD 56 Rent Subsidy Contractor Invoice to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us). DD 56 funds will be released in a Provider Prior Authorization (PPA) in eXPRS directly to the Provider upon receipt of a completed and accurate Contractor Invoice and a Rent Subsidy Budget Worksheet if applicable.
- b. Provider will not submit a DD 56 Rent Subsidy Contractor Invoice, and DHS will not pay a Provider, for "vacant slots" at any time. A vacant slot at a Provider's site occurs when an Individual moves out of an authorized site, which has been receiving DD 56 Rent Subsidy, creating a vacant slot.
- c. A vacant slot at a Provider's site may remain vacant for up to six months in order for the Provider to locate a new Individual who is eligible for DD 56 Rent Subsidy. At the end of the six months, if the slot is still vacant, the DD 56 Rent Subsidy funding will be removed from the Provider's authorization and any unexpended DD 56 funds will be returned to DHS.

**4. Rent Subsidy Budget Worksheets.**

- a. All Providers of DD 56 Rent Subsidy Services will be required to complete a DHS designated Rent Subsidy Budget Worksheet for each site awarded DD 56 Rent Subsidy funding. This Worksheet can be obtained by sending an email request to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us).
- b. A Rent Subsidy Budget Worksheet is to be completed by the Provider under the following conditions:
  - (1) With the first invoice of each biennium (July 1 of odd years);
  - (2) When the federal government authorizes a cost of living adjustment (COLA) for SSI;

- (3) Any time a DD 56 Rent Subsidy eligible Individual in a DD 51 Supported Living Services site moves to a new DD 51 Supported Living Services site;
- (4) Any time there is a change to the rent, mortgage, or lease amount or the allowable utilities costs that equals a combined total of \$100.00 or more;
- (5) When there is no longer a rent, mortgage, or lease payment for a DD56 Rent Subsidy authorized site;
- (6) When Section 8 or other housing subsidies are awarded to an Individual or a site;
- (7) Any time DHS requests it; and
- (8) When a licensed capacity change occurs for a DD 50 Residential Facilities Services or DD 142 Children's Residential Facilities Services site, or the available capacity changes in a DD 51 Supported Living Services site.

Unless otherwise specified in this S&P or the DHS request, the Rent Subsidy Budget Worksheet must be completed by the Provider within 14 calendar days of the condition that created the need for the Worksheet.

- c. The Rent Subsidy Budget Worksheet calculates the DD 56 Rent Subsidy amount per unit that could be paid to each person living at the Provider's residential site. The Budget Worksheet is populated with the current or expected federal amount of SSI used for rent. Only the Individuals at the Provider's residential site who are authorized by DHS to receive DD 56 Rent Subsidy will be paid either the amount per unit or the previously assigned rate, whichever is less.
- d. DHS will review the submitted Budget Worksheet and will determine the monthly rate(s) for DD 56 Rent Subsidy. If the Budget Worksheet:
  - (1) Shows a negative or zero amount per unit, then there is no financial need for DD 56 Rent Subsidy. The Rent Subsidy amount to be paid to the Provider for the Individual is zero.
  - (2) Shows an amount per unit that is less than the amount previously authorized by DHS for the Individual, the Individual's DD 56 Rent Subsidy rate will be reduced to match the Budget Worksheet's amount per unit.
  - (3) Shows an amount per unit that is higher than the amount previously authorized by the DHS for the Individual, there will be no change to the current DD 56 Rent Subsidy rate. Due to DHS budgetary limitations, there can be no increase to a DD 56 Rent Subsidy rate.
- e. When the federal government authorizes a COLA for SSI, DHS will revise the Rent Subsidy Budget Worksheet template and will send the revised Budget Worksheet to Providers. The revised Budget Worksheet must be completed with the change in allowable rent before any changes in the monthly rate for DD 56 Rent Subsidy will be effective.

- (1) Provider will complete and return the revised Rent Subsidy Budget Worksheet to DHS within a minimum of 14 calendar days, or in the specific timeframe provided by DHS in writing.
- (2) DHS will review the completed Budget Worksheets to determine if any changes to the monthly rates for DD 56 Rent Subsidy are required, based on the criteria in section 4. d. above.
- (3) DHS will create a revised Contractor Invoice template and will send the revised Contractor Invoice to the Provider, if there are new monthly rates.
- (4) If a Rent Subsidy Budget Worksheet is required, or has been requested, DHS will not release DD 56 Rent Subsidy payments for a Provider until the Budget Worksheet is received from the Provider and processed by DHS.

**5. DD 56 Rent Subsidy DHS Contractor Invoice.**

- a. A DD 56 Rent Subsidy Contractor Invoice must be completed and submitted by the Provider monthly to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) . This Contractor Invoice must be complete and accurate in order for DHS to submit a PPA for payment. The Contractor Invoice will be returned to the Provider to correct, if any required information or documentation is missing, incomplete or inaccurate. The Provider is responsible to correct any errors and return the complete and accurate Contractor Invoice to DHS for payment within the time allotted in paragraph b. below.
- b. All complete and accurate DD 56 Rent Subsidy Contractor Invoices are to be received by DHS within 45 calendar days from the end of the Service month. Any Contractor Invoices received after this time period will not be paid by DHS.
- c. Contractor Invoices are only to be submitted for Individuals and sites that have been authorized by DHS for DD 56 Rent Subsidy.
- d. Contractor Invoices for a current month can be submitted on or after the 16<sup>th</sup> of that month. Invoices for a current month received prior to the 16<sup>th</sup> of that month will be returned to the Provider and Provider may resubmit it on or after the 16<sup>th</sup> of the month. DHS will return Contractor Invoices for future months to the Provider without payment and Provider may resubmit the returned Contractor Invoice at the correct time.
- e. DHS will not prorate DD 56 Rent Subsidy payments. An Individual must be in the approved DD 56 Rent Subsidy site from at least the 1<sup>st</sup> to the 15<sup>th</sup> of the month to qualify for Rent Subsidy for that month. If an Individual moves in after the 15<sup>th</sup> of the month, the DD 56 Rent Subsidy will be paid to the Provider beginning with the following month. If the Individual moves out before the 15<sup>th</sup> of the month, no DD 56 Rent Subsidy will be paid to the Provider for that month.
- f. DD 56 Rent Subsidy payments are normally processed by DHS on the 1<sup>st</sup> and 15<sup>th</sup> of each month. If the 1<sup>st</sup> or the 15<sup>th</sup> falls on a weekend or holiday, payments will be processed on the following business day.

**6. Settlement and Quality Assurance.**

- a. Settlement will be used to confirm and reconcile any discrepancies that may have occurred between actual DHS disbursements of funding awarded for DD 56 Rent Subsidy Services and the amount of qualifying billable Services actually delivered on a monthly basis and at the end of each biennium. Information requested by DHS as part of the Settlement process must be submitted to DHS within the timeframe designated by DHS. The Provider is fully responsible for the accuracy of the information submitted to DHS.
- b. Provider must submit the monthly Contractor Invoices and any final DD 56 Rent Subsidy Contractor Invoice for an Individual to DHS within 45 calendar days from the end of the Service month or the last month DD 56 Rent Subsidy Services, respectively, were provided.
- c. DHS will conduct quality assurance reviews of the Provider's adherence to the DD 56 Rent Subsidy S&P.

**7. CFDA Number(s).**

In accordance with the State Controller's Oregon Accounting Manual, policy 30.40.00.102, and DHS procedure "Contractual Governance", DHS' determination is that County is a subrecipient.

- (4) County must submit the required documentation and the request for DD 156 Services in a timely manner in order for the Services to be approved by DHS and funds to be available prior to the start of the DD 156 Services for the Individual. DHS will not approve retroactive requests for DD 156 Services.

A copy of both denials must be submitted with the request for DD 156 Services to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us), if the request is for medical expenditure funding.
- (6) An Individual cannot receive DD 156 medical expenditure funding if the Individual is receiving OHP or CAWEM benefits unless the ISP team determines that the Individual's medical needs exceed what is covered CAWEM benefits. County may request an exception for the Individual to receive DD 156 Services under these circumstances from DHS by submitting the request to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us).

DHS may request additional information from County in order to make a determination whether to fund the renewal of DD 156 Services. If the additional information is not received from County in the time requested by DHS, the request to renew the DD 156 Services may be denied.

**b. General Performance Requirements**

- (1) The funds awarded for DD 156 Services for R&B and personal incidentals are equivalent to the anticipated Federal Supplemental Security Income (SSI) as defined in Code of Federal Regulations (CFR) Part 416.101 –

416.121, 416.401 – 416.435 and 416.501 - 416.665, and the Oregon Supplemental Income Program (OSIP) Manual under “Room and Board and Personal Needs Standards”. Monthly rates are subject to change to reflect federal cost-of-living or other DHS approved adjustments. These monthly rate changes do not require a request by County and approval from DHS. Any monthly rate adjustments resulting from these changes will be added by DHS to awards DHS authorized Individuals receiving for DD 156 Services.

- (2) DD 156 funds must be used for “current maintenance” costs incurred by an Individual receiving DD 156 Services, as defined in the above-referenced CFRs, the OSIP Manual, and as outlined in this Standards & Procedures (S&P). Current maintenance includes the room and board fees charged by the Provider to the Individual and costs incurred for clothing, medical care authorized by DHS, and personal comfort care for the Individual, whether provided directly by, or facilitated by, the Provider of DD 156 Services.
- (3) DD 156 funds used for an Individual’s medical expenses must only be for necessary medical expenditures for the Individual up to the amount authorized by DHS.

---

Necessary medical expenditures are those medical expenditures needed by the Individual as detailed in the ISP by the ISP team. Necessary medical expenditures include, but are not limited to:

- (a) Doctor visits,
- (b) Prescription drugs,
- (c) Laboratory and diagnostic tests,
- (d) Hospital inpatient and outpatient care,
- (e) Mental health care,
- (f) Immunizations,
- (g) Hearing aids and hearing aid exams,
- (h) Medical equipment and supplies,
- (i) Physical and occupational therapy, or
- (j) Vision services for medical treatment (such as treatment for glaucoma).

If the Individual has been approved to receive DD 156 medical expenditure funding and has been approved for CAWEM, CAWEM must be used for any medical expenditure covered by CAWEM. CAWEM coverage is limited to emergency medical services only. See the following website for more information:

<http://www.dhs.state.or.us/spd/tools/program/cawem.htm>. No DD 156

medical expenditure funding may be used for medical expenditures covered by CAWEM.

- (4) DD 156 funds may be used for an Individual in a medical emergency even though the emergency situation is not included in the ISP. For purposes of this Standards and Procedures (S&P), an emergency is defined as a sudden onset of a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in placing the Individual's health in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part.

Allowable DD 156 Services for medical expenditures due to emergency situations include:

- (a) Hospital emergency treatment, or inpatient and outpatient care, or
  - (b) Emergency vision and dental services.
- (5) The following medical services are not allowable under DD 156 Services:
- (a) Routine dental care and diagnostic testing such as annual or semi-annual cleanings, fillings, root canals and routine x-rays.
  - (b) Routine eye exams, diagnostic testing, contacts, glasses and lenses.
  - (c) Anything covered by CAWEM or OHP for an Individual who is currently receiving CAWEM or OHP, subject to 2. a. (5) above.
- (6) Medical expenditure funding for an Individual for DD 156 Services paid to a Provider via County may only be carried over into future months within the same biennium. When medical expenditure funding carry-over occurs, the next monthly payment to County for the Individual will be reduced by DHS by the amount carried over from the previous months. County may not carry over funding of DD 156 Services for medical expenditures into the next biennium. The medical expenditure funding must be returned to DHS immediately upon request by DHS, or within 45 calendar days of the end of the biennium in which the funds were paid, whichever date is sooner.

c. Special Reporting Requirements

- (1) County shall notify ODDS through [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) within 14 calendar days if the Individual's circumstances change and the Individual is no longer eligible for DD 156 Services. For example: An Individual is now Medicaid eligible due to obtaining US citizenship or is now receiving OHP or CAWEM.
- (2) DHS may request at any time other information regarding the use of DD 156 Services or the justification of such Services. County and the Provider are required to submit the requested information within the timeframe required by DHS. DHS will hold disbursements of all DD 156 funds, until

the requested information is received, if the requested information isn't received by DHS within the timeframe indicated in the DHS request.

**3. Billing and Payment Procedures.**

**a. Room and Board and Personal Incidental Funds**

- (1) R&B and personal incidental funds will be disbursed to County in eXPRS in a Service Element Prior Authorization (SEPA).
- (2) Each Individual will have a Provider Prior Authorization (PPA) created for up to twelve months in eXPRS. The timeframe for the PPA is determined by the effective date of the authorization for DD 156 Services and the timing of future SSI increases. R&B and personal incidental funds will be released to County at the beginning of each month by DHS. County must remit payment to the Provider at the beginning of each Service month for R&B and personal incidentals for each Individual receiving DD 156 Services.
- (3) For audit purposes, County must submit to DHS quarterly paid Provider invoices for R&B and personal incidental expenditures. Provider invoices must reflect that the Individual received the DD 156 Services during the time period covered by the invoices. If paid Provider invoices are not received by DHS, the R&B and personal incidental funds paid to Provider, and not supported by paid Provider invoices, must be recovered by County and County must then return this DD 156 funding to DHS.

**b. Medical Expenditures**

- (1) Funds for DD 156 medical expenditures will be disbursed to County in eXPRS in a SEPA.
- (2) DHS will create, at the beginning of each biennium, for each Individual authorized by ODDS to receive DD 156 Services, a PPA for DD 156 medical expenditure funding for three months. The initial PPA for DD 156 medical expenditures and subsequent PPAs will be released by DHS for payment to County. County will immediately pass the DD 156 funds to the Provider so that the Provider will have adequate funding on hand for allowable medical expenditures.
- (3) Providers shall report to County the allowable medical expenditures each month on a DHS prescribed form. This monthly report will serve as the Provider invoice for medical expenditures for DD 156 Services. This monthly medical expenditure report must include the following, at minimum:
  - (a) Individual's name;
  - (b) Individual's prime number;
  - (c) Month or timeframe for the reported DD 156 Services;
  - (d) Provider's name and eXPRS Provider number;

- (e) Description of each medical expenditure, listed separately;
- (f) Amount of each medical expenditure;
- (g) Name of entity actually providing the DD 156 Service, such as the name of pharmacy, doctor, or therapist; and
- (h) Actual date of DD 156 Service, not the date the Service was paid for by the Provider.

Provider must submit a monthly medical expenditure report to the County within 14 calendar days of the end of each month DD 156 Services were provided. The Provider medical expenditure report for the last month in the biennium must be submitted to County within 14 calendar days of the end of each biennium.

DD 156 Services included in the monthly Provider report of medical expenditures that are outside of the current biennium (except for the monthly medical expenditure report that must be submitted within 14 calendar days of the end of the prior biennium) are to be reconciled using the settlement process described in Section 4 of this S&P and not submitted to DHS through the standard invoice process.

- (4) County shall submit for payment each Provider's monthly medical expenditures report, and the Provider's invoice on a form prescribed by DHS, to [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us) no later than 45 calendar days from the end of the month in which the DD 156 Services were provided.

If a monthly medical expenditure report for DD 156 Services for an eligible Individual is in compliance with this S&P and is received by County within the current biennium, but after the 45 calendar day deadline, the Provider shall include the medical expenditure in its next monthly report, and County will include the medical expenditure in its next DHS prescribed Provider invoice, with an explanation of the late submission, to request an exception.

- (5) DHS will review all monthly medical expenditure reports submitted by County to verify that they are allowable medical expenditures per this S&P or are approved exceptions. DHS will reconcile DD 156 medical expenditure funds paid to County with the medical expenditures reported by the Provider and the Provider's invoice submitted by County. Any medical expenditure that is determined not to be an allowable DD 156 medical expenditure will be deducted from the total amount of the Provider's invoice. County will be promptly notified of this change by email. DHS will complete its review and reconciliation within 45 calendar days of receipt by DHS of the correctly completed Provider's medical expenditure report and invoice.
- (6) If DHS has paid to County, through the release of the PPA funding, more DD 156 medical expenditure funds than reported by the Provider and

submitted by County, DHS will stop releasing funds for DD 156 medical expenditures until the balance due County for DD 156 medical expenditures is no less than one month of the allocated PPA funding.

If a Provider's monthly medical expenditure report shows the Provider needs additional medical expenditure funds to cover future medical costs for an Individual, and the additional funds and medical expenditures are within the Individual's DHS authorized funding, then DHS will release the additional funding up to, but not to exceed, the SEPA amount.

**4. Settlement and Quality Assurance.**

- a. On a monthly basis and at the end of each biennium, Settlement will be used to confirm and reconcile any discrepancies that may have occurred between actual DHS disbursements of funding awarded for DD 156 Services and the amounts of qualifying billable Services actually delivered. Information requested by DHS as part of the Settlement process must be submitted to DHS within the timeframe designated by DHS. Provider and County are equally and fully responsible for the accuracy of the information submitted to DHS.
- b. Funds for medical expenditures or other expenses not related to R&B and personal incidental funding that are not expended during a biennium are subject to Settlement by confirming and reconciling actual County medical expenditures against the DD 156 medical expenditure funds paid by DHS. Settlement for medical expenditures will occur on a monthly basis and at the end of each biennium.
- c. County must submit to DHS final invoices for all DD 156 Services no later than 45 calendar days from the end of the biennium. County may submit a request to ODDS for an exception to extend this 45 calendar day deadline at [CAU.Invoice@state.or.us](mailto:CAU.Invoice@state.or.us). Requests for exceptions must be submitted prior to the initial 45 calendar day deadline. The original final invoice submission deadline can be extended one time for up to an additional 45 calendar days.
- d. DHS will conduct quality assurance reviews of the County's and Provider's adherence to this DD 156 Services S&P.

**5. CFDA Number(s).**

In accordance with the State Controller's Oregon Accounting Manual, policy 30.40.00.102, and DHS procedure "Contractual Governance", DHS' determination is that County is a subrecipient.

- (c) If the DD 157 expenditures reported in a semi-annual report described in section 2.b.(2) are less than 80% of the DD 157 Services funds disbursed during the period covered by the semi-annual report, DHS may unilaterally reduce the total funding for DD 157 Services to make it consistent with the actual expenditure of DD 157 Services funds. The Management Entity shall review and accept the SEPA to reflect that reduction.
  - (d) The Management Entity may request the utilization of DD 157 Services funds for an additional position to provide part-time DD 157 Services to address a short term staffing need. The Management Entity must deliver to DHS for approval a clearly defined position description that delineates the DD 157 Services related duties to be performed for the Management Entity, the duration of the position, and a precise accounting of all funding sources for the position.
- (2) DHS will disburse the funding awarded for DD 157 Services in substantially equal monthly allotments during the period specified in the SEPA, unless a different disbursement method is specified in the SEPA, subject to the following:
- (a) DHS may adjust monthly allotments, upon the written request of the Management Entity.
  - (b) DHS shall adjust monthly allotments, as necessary, to reflect changes in the funds awarded for DD 157 Services in the SEPA upon acceptance of the SEPA by the Management Entity.
  - (c) DHS' obligation to disburse funds for DD 157 Services after June 30, 2016 is conditioned on DHS' receipt of a revised Regional Crisis and Back-Up Services Plan, as described in section 2.a.(5).
- (3) Settlement will be used to confirm and reconcile any discrepancies that may have occurred between the actual DHS disbursements of funding awarded for DD 157 Services through a SEPA and the amount of DD 157 Services provided by the Management Entity based on reports required or permitted by these Standards and Procedures or an applicable special condition. All DD 157 Services funds that the Management Entity requests DHS allow to be carried over to the following fiscal year must be used solely to deliver future DD 157 Services.

- a. Disbursement Generally. Subject to the conditions precedent set forth in subsection c. below, DHS shall disburse the payments described in the SEPA to County and Subcontractors in accordance with the procedures set forth in this Section 1 and, as applicable, in the Service Element Standards and Procedures. Disbursement procedures may vary by DD Service.
- b. Disbursements Remain Subject to Recovery. All disbursements of funds to County and Subcontractors under this Agreement remain subject to recovery from County, in accordance with Section 2 below, as an Underexpenditure, Overexpenditure, or Misexpenditure.
- c. Conditions Precedent to Disbursement. DHS' obligation to disburse payments to County and Subcontractors under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:
  - (1) No County default as described in Section 8 County Default of Exhibit E Standard Terms and Conditions has occurred.
  - (2) County's representations and warranties set forth in Section 4 Representations and Warranties of Exhibit E Standard Terms and Conditions are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.

**2. Recovery of Funding.**

- a. Recovery of Underexpenditure or Overexpenditure.
  - (1) If DHS believes there has been an Underexpenditure or Overexpenditure (as defined in Exhibit A Definitions) of moneys disbursed under this Agreement, DHS shall submit to County an e-mail, or notice of recovery, with a detailed spreadsheet or the Settlement summary report and a Settlement adjustment report attached, providing supporting data of an Underexpenditure or Overexpenditure.
  - (2) County will have 60 calendar days from the date of the notice of recovery or e-mail to respond either with an acceptance of the amount or proof of discrepancy (with corrections or additional information) in DHS' supporting data.
    - (a) If County accepts the amount, County will pay in accordance with section 2.a.(3) below.

- (b) If County provides proof of discrepancy in DHS' supporting data, the parties will engage in the appeals process described in 2.a.(4).
- (3) County shall have 30 business days from its acceptance of the notice of recovery of Underexpenditure or Overexpenditure to pay DHS in full or DHS may recover funds from future payments as described in 2.a.(5).
- (4) Appeal Process for Underexpenditure and Overexpenditure.
  - (a) Upon receipt of the County's notice to DHS that County wishes to engage in the appeals process, County and DHS shall begin non-binding discussions. The non-binding discussions must give County an opportunity to present reasons why it believes that there is no Underexpenditure or Overexpenditure, or that the amount of the Underexpenditure or Overexpenditure is different than the amount identified by DHS; and to give DHS the opportunity to reconsider its notice of recovery.
  - (b) County and DHS may negotiate an appropriate apportionment of responsibility for the recovery of an Underexpenditure or Overexpenditure. At County request, DHS will meet and negotiate with County in good faith concerning appropriate apportionment of responsibility for recovery of an Underexpenditure or Overexpenditure. In determining an appropriate apportionment of responsibility, County and DHS may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure.
  - (c) If DHS and County reach agreement on an amount owed to DHS, County shall, within 30 calendar days of the agreement, return that amount to DHS by issuing payment to DHS or direct DHS to withhold future payments to County pursuant to section 2.a.(5) below.
  - (d) If DHS and County continue to disagree as to whether there has been an Underexpenditure or Overexpenditure or as to the amount owed, the parties may agree to further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, binding arbitration. If both parties do not agree to further dispute resolution processes, the parties shall proceed with the recovery payment procedures described in 2.a.(5) below.

## (5) Recovery from Future Payments.

- (a) To the extent that DHS is entitled to recover an Underexpenditure or Overexpenditure pursuant to section 2.a.(4), DHS may recover the Underexpenditure or Overexpenditure by offsetting the amount thereof against future amounts owed to County by DHS, including, but not limited to, any amount owed to County by DHS under this Agreement, or any amount owed to County by DHS under any other contract or agreement between County and DHS, present or future.
- (b) DHS shall provide County written notice of its intent to recover the amount of the Underexpenditure or Overexpenditure as set forth in this Section from amounts owed County by DHS. DHS shall identify the amounts owed by DHS to County which DHS intends to offset to recover the Underexpenditure or Overexpenditure amount, including the contracts or agreements, if any, under which the amounts owed arose and those other contracts or agreements from which DHS wishes to deduct payments.
- (c) DHS may look to as many future payments to County as necessary in order to fully recover the amount of the Underexpenditure or Overexpenditure.

## b. Recovery of Misexpenditure.

- (1) If DHS believes there has been a Misexpenditure (as defined in Exhibit A Definitions) of moneys disbursed to County under this Agreement, DHS shall provide County by e-mail with written notice thereof and DHS and County shall engage in the process described in section 2.b.(2) below.
- (2) From the effective date of the notice of Misexpenditure, County shall have the lesser of (1) 60 calendar days, or (2) if a Misexpenditure relates to a federal government request for reimbursement, 30 calendar days fewer than the number of days (if any) that DHS has to appeal a final written decision from the federal government, to either:
  - (a) Make a payment to DHS of the full amount of the noticed Misexpenditure identified by DHS; or
  - (b) Notify DHS that County wishes to repay the amount of the noticed Misexpenditure from future payments pursuant to section 2.d. below; or
  - (c) Notify DHS that it wishes to engage in the applicable appeal process set forth in section 2.c. below.

If County fails to respond within the time required by this section, DHS may recover the amount of the noticed Misexpenditure from future payments as set forth in section 2.d. below.

c. Appeal Process for Misexpenditure.

If County notifies DHS that it wishes to engage in an appeal process with respect to a noticed Misexpenditure, the parties shall comply with the following procedures, as applicable.

(1) Appeal from DHS-Identified Misexpenditure.

If DHS' notice of Misexpenditure is based on a Misexpenditure solely of the type described in Section 42. b. or c. of Exhibit A Definitions, County and DHS shall engage in the process described in this section to resolve a dispute regarding the noticed Misexpenditure.

- (a) County and DHS shall engage in non-binding discussions to give County an opportunity to present reasons why it believes that there is no Misexpenditure or that the amount of the Misexpenditure is different than the amount identified by DHS; and to give DHS the opportunity to reconsider its notice of recovery.
- (b) County and DHS may negotiate an appropriate apportionment of responsibility for the recovery of a Misexpenditure. At County request, DHS will meet and negotiate with County in good faith concerning appropriate apportionment of responsibility for recovery of a Misexpenditure. In determining an appropriate apportionment of responsibility, County and DHS may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure.
- (c) If DHS and County reach agreement on an amount owed to DHS, County shall, promptly repay that amount to DHS by issuing payment to DHS or direct DHS to withhold future payments pursuant to section 2.d. below.
- (d) If DHS and County continue to disagree as to whether there has been a Misexpenditure or as to the amount owed, the parties may agree to further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, binding arbitration.

(2) Appeal from Federal-Identified Misexpenditure.

- (a) If DHS' notice of Misexpenditure is based on a Misexpenditure of the type described in Section 42. a. of Exhibit A Definitions and the relevant federal agency provides a process either by statute or administrative rule to appeal the determination of improper use of Federal Funds, the notice of disallowance or other federal identification of improper use of funds, and if the disallowance is not based on a federal or state court judgment founded in

allegations of Medicaid Fraud or abuse, then County may, prior to 30 calendar days prior to the applicable federal appeals deadline, request that DHS appeal the determination of improper use, notice of disallowance, or other federal identification of improper use of funds, in accordance with the process established or adopted by the federal agency.

- (b) If County so requests that DHS appeal the determination of improper use of Federal Funds, federal notice of disallowance, or other federal identification of improper use of funds, the amount in controversy shall, at the option of County, be retained by County or returned to DHS pending the final federal decision resulting from the initial appeal.
- (c) If County does request, prior to the deadline set forth in (2) (a) above, that DHS appeal, DHS shall appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the established process and shall pursue the appeal until a decision is issued by the Departmental Grant Appeals Board of the Department of Health and Human Services (the "Grant Appeals Board") pursuant to the process for appeal set forth in 45 C.F.R. Subtitle A, Part 16, or an equivalent decision is issued under the appeal process established or adopted by the federal agency. County and DHS shall cooperate with each other in pursuing the appeal.
- (d) If the Grant Appeals Board or its equivalent denies the appeal, then either County, DHS, or both may, in their discretion, pursue further appeals. Regardless of any further appeals, within 90 calendar days of the date the federal decision resulting from the initial appeal is final, County shall repay to DHS the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal) by issuing payment to DHS or by directing DHS to withhold future payments pursuant to section 2.d. below. To the extent that County retained any of the amounts in controversy while the appeal was pending, County shall pay to DHS the interest, if any, charged by the federal government on such amount.
- (e) If the relevant federal agency does not provide a process either by statute or administrative rule to appeal the determination of improper use of Federal Funds, the notice of disallowance or other federal identification of improper use of funds or County does not request that DHS pursue an appeal 30 calendar days prior to the applicable federal appeals deadline, and if DHS does not appeal, then within 90 calendar days of the date the federal determination of improper use of Federal Funds, the federal notice of disallowance, or other federal identification of improper use of funds is final, County shall repay to DHS the amount of the noticed

Misexpenditure by issuing a payment to DHS or by directing DHS to withhold future payments pursuant to section 2.d. below.

- (f) If County does not request that DHS pursue an appeal of the determination of improper use of Federal Funds, the notice of disallowance, or other federal identification of improper use of funds, prior to 30 calendar days prior to the applicable federal appeals deadline, but DHS nevertheless appeals, County shall repay to DHS the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal), within 90 calendar days of the date the federal decision resulting from the appeal is final, by issuing payment to DHS or by directing DHS to withhold future payments pursuant to section 2.d. below.
- (g) If the Misexpenditure was expressly authorized by a DHS rule or a DHS writing that applied when the expenditure was made, but was prohibited by federal statutes or regulations that applied when the expenditure was made, County will not be responsible for repaying the amount of the Misexpenditure to DHS, provided that:
  - i. Where post-expenditure official reinterpretation of federal statutes or regulations results in a Misexpenditure, County and DHS will meet and negotiate in good faith an appropriate apportionment of responsibility between them for repayment of the Misexpenditure.
  - ii. For purposes of this section, a DHS writing must interpret this Agreement or a DHS rule and be signed by the Director of DHS or by one of the following DHS officers concerning DD Services:
    - Assistant Director of the Office of Developmental Disability Services;
    - Executive Assistant to the Administrator; or
    - Deputy Administrator of the Office of Developmental Disability Services.DHS shall designate alternate officers in the event the offices designated in the previous sentence are abolished. Upon County request, DHS shall notify County of the names of individual officers with the above titles. DHS shall send DHS writings described in this paragraph to County by mail and e-mail and to County's CDDP directors by e-mail.
  - iii. The DHS writing must be in response to a request from County for expenditure authorization, or a statement intended to provide official guidance to County or counties

generally, for making expenditures under this Agreement. The DHS writing must not be contrary to this Agreement or contrary to law or other applicable authority that is clearly established at the time of the writing.

- iv. If the DHS writing is in response to a request from County for expenditure authorization, the request must be in writing and signed by the director of a County department with authority to make such a request or by County Counsel. It must identify the supporting data, provisions of this Agreement and provisions of applicable law relevant to determining if the expenditure should be authorized.
  - v. A DHS writing expires on the date stated in the writing, or if no expiration date is stated, six years from the date of the writing. An expired DHS writing continues to apply to County expenditures that were made in compliance with the writing and during the term of the writing.
  - vi. DHS may revoke or revise DHS writing at any time if it determines in its sole discretion that the writing allowed expenditure in violation of this Agreement or law or any other applicable authority.
  - vii. The DHS rule or the DHS writing does not authorize an expenditure that this Agreement prohibits.
- d. Recovery of Misexpenditure from Future Payments.
- (1) To the extent that DHS is entitled to recover a Misexpenditure pursuant to section 2.b., DHS may recover the Misexpenditure by offsetting the amount thereof against future amounts owed to County by DHS, including, but not limited to, any amount owed to County by DHS under this Agreement, or any amount owed to County by DHS under any other contract or agreement between County and DHS, present or future.
  - (2) DHS shall provide County written notice of its intent to recover the amount of the Misexpenditure as set forth in this Section from amounts owed County by DHS, and DHS shall identify the amounts owed by DHS to County which DHS intends to offset to recover the Misexpenditure amount, including the contracts or agreements, if any, under which the amounts owed arose and those other contracts or agreements from which DHS wishes to deduct payments.

- (3) County shall then have 14 calendar days from the date of DHS' notice in which to request the deduction be made from other amounts owed to County by DHS and identified by County. DHS shall comply with County's request for alternate offset.
- (4) In the event that DHS and County are unable to agree on which specific amounts, owed to County by DHS, DHS may offset in order to recover the amount of the Misexpenditure, then DHS may select the particular contracts or agreements between DHS and County and amounts from which it will recover the amount of the Misexpenditure, after providing notice to County, and within the following limitations:
  - (a) DHS shall first look to amounts owed to County (but unpaid) under this Agreement.
  - (b) If that amount is insufficient, then DHS may look to any other amounts currently owing or owed in the future to County by DHS.
  - (c) In no case, without the prior consent of County, shall DHS deduct from any one payment due County under the contract or agreement from which DHS is offsetting funds an amount in excess of twenty-five percent (25%) of that payment.
  - (d) DHS may look to as many future payments as necessary in order to fully recover the amount of the Misexpenditure.

**3. Additional Provisions with respect to Underexpenditures, Overexpenditures and Misexpenditures.**

- a. County shall cooperate with DHS in the Settlement process throughout the Agreement term and with the Agreement Settlement process upon termination or expiration of the Agreement.
- b. DHS' right to recover Underexpenditures, Overexpenditures and Misexpenditures from County under this Agreement is not subject to or conditioned on County's recovery of any money from any other entity.
- c. If the exercise of DHS' right to offset under this provision requires County to complete a re-budgeting process, nothing in this provision shall be construed to prevent County from fully complying with its budgeting procedures and obligations, or from implementing decisions resulting from those procedures and obligations.
- d. Nothing in this provision shall be construed as a requirement or agreement by County to negotiate and execute any future contract with DHS.
- e. Nothing in this Section 3 shall be construed as a waiver by either party of any process or remedy that might otherwise be available.
- f. County's authorization to Providers must follow all applicable rules, Service Element Standards and Procedures, and DHS' policies and procedures including proper budget approvals.

4. **Use of Funding.** County shall use the funds disbursed to County under this Agreement solely to cover actual Allowable Costs reasonably and necessarily incurred to deliver DD Services during the term of this Agreement.
5. **eXPRS Access.**
  - a. **Effect of Failure to Satisfy Conditions for Access to eXPRS.**
    - (1) If County fails to satisfy the conditions for access to eXPRS as described in this Section, County will not be able to view information in eXPRS electronically and will be required to receive, execute and deliver all SEPA Adjustments, receive, submit, and modify all PPAs, CPAs, and Plans of Care, and submit all Disbursement Claims, in hard copy form.
    - (2) If a Provider fails to satisfy the conditions for access to eXPRS as described in this Section, the Provider will not be able to view information in eXPRS electronically and will be required to submit CPAs, Plans of Care, and Disbursement Claims, to the extent the Provider is authorized to submit CPAs and Plans of Care, and Providers are authorized to submit Disbursement Claims, to DHS in hard copy form.
  - b. **Designation of Direct Contract Chief Security Officer.**
    - (1) DHS will enable an individual or individuals designated by the County CDDP Administrator to access eXPRS after the County CDDP Administrator designates to DHS in writing on a form provided by DHS the name of the individual or individuals County has authorized to perform the duties of the security role, currently titled Direct Contract Chief Security Officer (DCCSO) or as such role may be renamed by DHS.
    - (2) Promptly after receipt of the foregoing notice, DHS will send the DCCSO a userid for accessing eXPRS. If County wishes to designate a substitute DCCSO, the County CDDP Administrator may do so by subsequent written notice to DHS. DHS will act upon all subsequent notices in the same manner as the initial notice.
    - (3) The individual designated as the DCCSO is responsible to ensure that County is in compliance with OAR 125-800-0005 through 0020 and DHS' security policies DHS-090-001, 090-002, 090-003, 090-004, 090-005, and 090-009.
    - (4) The DCCSO shall assign, maintain and, if necessary, revoke all eXPRS user account securities in eXPRS for County staff and County Subcontractors, and via e-mail to DHS Service Desk for Providers as needed.
    - (5) If the County CDDP Administrator does not designate another County employee as the DCCSO, the County CDDP Administrator will be designated as the DCCSO and will act as the DCCSO on behalf of County.

- c. Responsibilities of Direct Contract Chief Security Officer.
- (1) After receipt of the userid, the DCCSO may log on to eXPRS and assign the necessary roles to County staff and Subcontractors to view the SEPA and SEPA Adjustments made available by DHS for County acceptance in eXPRS and, through use of the SEPA Pass Phrase created in eXPRS by County staff or Subcontractor, accept those SEPA Adjustments, in accordance with the terms and conditions of this Agreement, on behalf of County. Use of the SEPA Pass Phrase to accept electronically a SEPA Adjustment will be deemed for all purposes to constitute a County "signature" on the SEPA Adjustment and will have the same effect as a County signature on a hard copy SEPA Adjustment.
  - (2) After receipt of the userid, a DCCSO may log on to eXPRS and authorize individuals to view the SEPA, the CPAs, Plans of Care, the PPAs, and the Disbursement Claims previously submitted on behalf of County, modify CPAs, Plans of Care, PPAs and Disbursement Claims, and submit new CPAs, Plans of Care, PPAs and Disbursement Claims, by creating additional userids or modifying the authority of userids previously created.
    - (a) Only individuals approved in writing by the DCCSO on a form provided by or approved by DHS may be granted access to eXPRS by the DCCSO.
    - (b) Through use of userids created by the DCCSO, the approved individual will be able to view the SEPA, the CPAs, the Plans of Care, the PPAs and the Disbursement Claims previously submitted on behalf of County, modify CPAs, Plans of Care, PPAs and Disbursement Claims, and submit new CPAs, Plans of Care, PPAs and Disbursement Claims to the extent authorized by the DCCSO.
    - (c) Use of a userid created by the DCCSO to logon to eXPRS and submit or modify a CPA, Plan of Care, PPA or Disbursement Claim shall, for purposes of this Agreement, be considered an authorized County action in the administration of this Agreement.
- d. Protection of userids, passwords and SEPA Pass Phrases. The DCCSO is solely responsible for protecting the confidentiality of and regulating the use of eXPRS userids and passwords furnished to or created by the DCCSO in accordance with the terms and conditions of this Agreement. County shall keep all eXPRS userids, passwords and SEPA Pass Phrases secure by taking security measures to prevent unauthorized access to, or disclosure, loss, compromise, or use of, the eXPRS userids, passwords, and SEPA Pass Phrase. The security measures must be equivalent to or stricter than the security measures adopted by DHS in Policy Number DHS-090-002.
- e. Revocation of userids and SEPA Pass Phrase. Revocation of an eXPRS userid will disable access to eXPRS through use of that userid. Revocation of a SEPA Pass Phrase will disable the use of that SEPA Pass Phrase to accept SEPA

Adjustments on behalf of County. The revocation of a userid or a SEPA Pass Phrase does not alter the rights and duties of DHS and County under this Agreement with respect to SEPA Adjustments accepted through use of the SEPA Pass Phrase prior to revocation of the SEPA Pass Phrase, or with respect to any Agreement administration actions taken through use of the userid, including but not limited to the creation of additional userids by the DCCSO or the submission of CPAs, Plans of Care, PPAs and Disbursement Claims, prior to revocation of the userid. All userids and SEPA Pass Phrases are subject to revocation as follows:

- (1) DHS may temporarily revoke a userid or SEPA Pass Phrase if DHS determines that revocation is reasonably necessary for technical or security reasons. If DHS revokes a SEPA Pass Phrase under this Section, DHS will promptly thereafter request a new SEPA Pass Phrase from the DCCSO whose SEPA Pass Phrase was revoked, to reestablish that the DCCSO's ability to perform the duties of the DCCSO.
- (2) DHS may revoke a userid or SEPA Pass Phrase if DHS determines that:
  - (a) The userid or SEPA Pass Phrase was not properly issued or created or was obtained by fraud,
  - (b) The userid or SEPA Pass Phrase has or may have been lost or its security otherwise compromised,
  - (c) The County has revoked or modified the authorizations of the County CDDP Administrator or the Direct Contract Chief Security Officer in such a way that the authorizations originally conferred by County have been changed in a material way,
  - (d) County is in default under this Agreement.

If DHS revokes a userid or SEPA Pass Phrase under this Section, DHS will notify County promptly thereafter.

- (3) DHS may, without notice to County, revoke all userids and SEPA Pass Phrases upon termination or expiration of this Agreement.
- (4) DHS will revoke a userid or SEPA Pass Phrase upon the written request of the County CDDP Administrator or other individual that DHS reasonably believes is authorized to request revocation on behalf of County. County shall immediately request revocation of a userid or SEPA Pass Phrase if County suspects or discovers that the userid or SEPA Pass Phrase has been or is in danger of being lost, disclosed, compromised or subjected to unauthorized use. DHS shall revoke the userid or SEPA Pass Phrase promptly after receipt of County's request.
- (5) DHS may decide to modify the requirements for electronic access to eXPRS or the method by which it implements SEPA Pass Phrases, or both. If DHS modifies the eXPRS access requirements or SEPA Pass Phrase method, DHS shall, prior to implementing the new requirements or

method, offer to amend this Agreement to reflect the new requirements or method. If County declines the amendment, DHS may, by and effective upon written notice to County, revoke the userids or SEPA Pass Phrases, or both, of the DCCSO and the userids or SEPA Pass Phrases assigned by the DCCSO, through which County or Subcontractor accesses eXPRS or accepts SEPA Adjustments or, by and effective upon written notice to a Subcontractor, revoke the userids through which that Subcontractor accesses eXPRS.

- (a) After revocation of County's eXPRS userids under this subsection, County will not be able to view information in eXPRS electronically and will be required to receive, execute and deliver all SEPA Adjustments, and receive, submit, and modify all PPAs, CPAs, Plans of Care and Disbursement Claims, in hard copy form.
- (b) After revocation of County's SEPA Pass Phrases under this subsection, County will be required to receive, execute and deliver all SEPA Adjustments in hard copy form.
- (c) After revocation of a Subcontractor's eXPRS userids under this subsection, the Subcontractor will not be able to view information in eXPRS electronically and will be required to submit all CPAs and Plans of Care and Disbursement Claims, to the extent Subcontractor is authorized to submit CPAs, Plans of Care, or Disbursement Claims, to DHS in hard copy form.

6. **Amendments Proposed by DHS.** Subject to Exhibit E Section 21, County shall review all pending Agreement amendments prepared and presented to County by DHS by e-mail and act within 60 calendar days of County's receipt of pending amendment. If County chooses to accept an amendment, County shall follow DHS' procedures for signing and returning the amendment to DHS. If County chooses to reject an amendment, County must submit an e-mail detailing the reason for the rejection to County's assigned DHS Contact.

7. **Alternative Formats and Translation of Written Materials, Interpreter Services.**

In connection with the delivery of DD Services by County directly to Individuals, County shall:

- a. Make available to an Individual, without charge to the Individual, upon the Individual's or DHS' request, any and all written materials in alternate, if appropriate, formats as required by DHS' administrative rules or by DHS' written policies made available to County.
- b. Make available to an Individual, without charge to the Individual, upon the Individual's or DHS' request, any and all written materials in the prevalent non-English languages in the Program Area served by County's CDDP.

- c. Make available to an Individual, without charge to the Individual, upon the Individual's or DHS' request, oral interpretation services in all non-English languages in the Program Area served by County's CDDP.
- d. Make available to Individuals with hearing impairment, without charge to the Individual, upon the Individual's or DHS' request, sign language interpretation services and telephone communications access services.

For purposes of the foregoing, "written materials" includes, without limitation, all written materials created or delivered in connection with the DD Services related to this Agreement. Each party shall be responsible to provide to the other party for distribution to Individuals any written material in alternative formats and translations if the written material was created or originated by that party.

**8. Reporting Requirements.**

County shall prepare and furnish the following information to DHS when a DD Service is delivered:

- a. Semi-annually report to DHS the FTE utilized for Service Elements DD 02, DD 48, DD 55, and DD 157, if applicable. The semi-annual report will be submitted using a DHS approved format.
- b. Quarterly report to DHS the number of Individuals found ineligible for DD Services and why they were ineligible. The quarterly ineligibility report will be submitted using a DHS approved format.

**9. Operation of CDDP.** County shall operate or contract for the operation of a CDDP during the term of this Agreement. If County uses funds provided under this Agreement for a particular DD Service, County shall include that DD Service in its CDDP from the date it begins using the funds for that DD Service until the earlier of (a) termination or expiration of this Agreement, (b) termination by DHS of DHS' obligation to provide funds for that DD Service in accordance with Section 5 of Exhibit E or (c) termination by County, in accordance with Section 10 of Exhibit E, of County's obligation to include in its CDDP a Program Area that includes that DD Service.

**10. DHS Reports.** To the extent resources are available to DHS to prepare and deliver the information, DHS shall, during the term of this Agreement, provide County with summary reports from data and other Individual data reported to DHS under this Agreement.

**11. Technical Assistance.** During the term of this Agreement, DHS shall provide technical assistance to County in the delivery of DD Services to the extent resources are available to DHS for this purpose. If the provision of technical assistance to County concerns a Provider or Subcontractor, DHS may require, as a condition to providing the assistance, that County take all action with respect to the Provider or Subcontractor reasonably necessary to facilitate the technical assistance.

**12. Payment of Certain Expenses.** If DHS requests that an employee of County or a citizen of County attend DHS training or a DHS conference or business meeting and County has obligated itself to reimburse the individual for travel expenses incurred by the individual

in attending the training or conference, DHS may pay those travel expenses on behalf of County but only at the rates and in accordance with the reimbursement procedures set forth in the Oregon Accounting Manual (<http://www.oregon.gov/DAS/CFO/SARS/policies/oam/40.10.00.pdf>) as of the date the expense was incurred and only to the extent that DHS determines funds are available for such reimbursement.

13. **Effect of SEPA Amendments Reducing Funding.** If County and DHS amend the SEPA to reduce the amount of funding awarded for a particular DD Service, County is not required by this Agreement to utilize other County funds to replace the funds no longer received under this Agreement as a result of the SEPA and County may, from and after the date of the SEPA, reduce the quantity of that DD Service included in its CDDP commensurate with the amount of the reduction in funds awarded for that DD Service. Nothing in the preceding sentence shall affect County's obligations under this Agreement with respect to payments actually disbursed by DHS under this Agreement or with respect to DD Services actually delivered.
14. **Resolution of Disputes over Additional Funds Owed County After Termination or Expiration.** If, after termination or expiration of this Agreement, County believes that DHS disbursements of funds under this Agreement for a particular DD Service are less than the amount of funds that DHS is obligated to provide to County under this Agreement for that DD Service, as determined by the Agreement Settlement and in accordance with the applicable funding calculation methodology, County shall provide DHS with written notice thereof. DHS shall have 90 calendar days from the effective date of County's notice to pay County in full or notify County that it wishes to engage in a dispute resolution process. If DHS notifies County that it wishes to engage in a dispute resolution process, County and DHS' Assistant Administrator shall engage in non-binding discussion to give DHS an opportunity to present reasons why it believes that it does not owe County any additional funds or that the amount owed is different than the amount identified by County in its notices, and to give County the opportunity to reconsider its notice. If DHS and County reach agreement on the additional amount owed to County, DHS shall promptly pay that amount to County. If DHS and County continue to disagree as to the amount owed, the parties may agree to further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, binding arbitration. Nothing in this Section shall preclude County from raising underpayment concerns at any time prior to termination or expiration of this Agreement.
15. Nothing in this Agreement shall cause or require County or DHS to act in violation of state or federal constitutions, statutes, regulations or rules. The parties intend this limitation to apply in addition to any other limitation in this Agreement, including limitations in Section 1 of this Exhibit D.
16. **Subcontracts.**
  - a. Except when the Service Element Standards and Procedures expressly require the DD Service, or a portion thereof, to be delivered by County directly and subject to Section 19 of Exhibit E of this Agreement, County may use funding provided under this Agreement for DD 53 Services with local match funding, and for DD

57 and DD 58 Services with general fund funding to purchase that Service, or a portion thereof, from a third person or entity (a "Subcontractor") through a contract (a "Subcontract").

- b. County shall not permit any person or entity to be a Subcontractor unless the person or entity holds all licenses, certificates, authorizations and other approvals as identified in the applicable Service Element Standards and Procedures.
- c. If County purchases a DD Service, or portion thereof, from a Subcontractor, the Subcontract with County must be in writing and contain each of the provisions set forth in Exhibit G, Part 1, Required Subcontract Provisions in substantially the form set forth therein, in addition to any other provisions that must be included to comply with applicable law, that must be included in a Subcontract with County under the terms of this Agreement or that are necessary to implement DD Service delivery in accordance with the applicable Service Element Standards and Procedures and special conditions.
- d. County shall maintain an originally executed copy of each Subcontract at its office and shall furnish a copy of any Subcontract to DHS upon request.
- e. County shall pay for these DD Services only upon receipt of an itemized invoice, purchase order, or other proper billing instrument evidencing the DD Services rendered. County shall retain the billing instrument in accordance with Exhibit E Section 14.

17. **Provider Monitoring.** County shall monitor each Provider's or Subcontractor's delivery of DD Services to Individuals that County is responsible for case managing and promptly report to DHS when County identifies a deficiency in a Provider's or Subcontractor's delivery of a DD Service or in a Provider's or Subcontractor's compliance with the Service Element Standards and Procedures. County shall take all necessary action(s) to remedy any identified deficiency on the part of County, Provider or Subcontractor.

**EXHIBIT E  
STANDARD TERMS AND CONDITIONS**

- 1. Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between the parties that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within a circuit court for the State of Oregon of proper jurisdiction. THE PARTIES, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENT TO THE IN PERSONAM JURISDICTION OF SAID COURTS. Except as provided in this section, neither party waives any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. The parties acknowledge that this is a binding and enforceable agreement and, to the extent permitted by law, expressly waive any defense alleging that either party does not have the right to seek judicial enforcement of this Agreement.
- 2. Compliance with Law.** Both parties shall comply with laws, regulations, and executive orders to which they are subject and which are applicable to the Agreement or to the Work. Without limiting the generality of the foregoing, both parties expressly agree to comply with the following laws, regulations and executive orders to the extent they are applicable to the Agreement: (a) all applicable requirements of state civil rights and rehabilitation statutes, rules and regulations; (b) all state laws requiring reporting of client abuse; (c) ORS 659A.400 to 659A.409, ORS 659A.145 and all regulations and administrative rules established pursuant to those laws in the construction, remodeling, maintenance and operation of any structures and facilities, and in the conduct of all programs, Services and training associated with the Work. These laws, regulations and executive orders are incorporated by reference herein to the extent that they are applicable to the Agreement and required by law to be so incorporated. All employers, including County and DHS, that employ subject workers who provide Services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126(2). County shall require all of its Subcontractors to comply with, and shall ensure that each of its Subcontractors complies with, these requirements. Nothing in this Agreement shall require County or DHS to act in violation of state or federal law or the Constitution of the State of Oregon.
- 3. Independent Contractors.** The parties agree and acknowledge that their relationship is that of independent contracting parties and that County is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.

**4. Representations and Warranties.**

**a. County represents and warrants as follows:**

- (1) **Organization and Authority.** County is a political subdivision of the State of Oregon duly organized and validly existing under the laws of the State of Oregon. County has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder.

No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by County of this Agreement.
- (3) **Binding Obligation.** This Agreement has been duly executed and delivered by County and constitutes a legal, valid and binding obligation of County, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- (4) County has the skill and knowledge possessed by well-informed members of its industry, trade or profession and County will apply that skill and knowledge with care and diligence to perform the Work in a professional manner and in accordance with standards prevalent in County's industry, trade or profession.
- (5) County shall, at all times during the term of this Agreement, be qualified, professionally competent, and duly licensed to perform the Work; and
- (6) County prepared its proposal related to this Agreement, if any, independently from all other proposers, and without collusion, fraud, or other dishonesty.
- (7) **Services.** To the extent DD Services are performed by County, the delivery of each DD Service will comply with the terms and conditions of this Agreement and meet the standards for such DD Service as set forth herein, including but not limited to, any terms, conditions, standards and requirements set forth in the Service Element Standards and Procedures.

- b. DHS represents and warrants as follows:
- (1) **Organization and Authority.** DHS has full power, authority, and legal right to make this Agreement and to incur and perform its obligations hereunder.
  - (2) **Due Authorization.** The making and performance by DHS of this Agreement (a) have been duly authorized by all necessary action by DHS and (b) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency and (c) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which DHS is a party or by which DHS may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by DHS of this Agreement, other than approval by the Department of Justice if required by law.
  - (3) **Binding Obligation.** This Agreement has been duly executed and delivered by DHS and constitutes a legal, valid and binding obligation of DHS, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- c. **Warranties Cumulative.** The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided.

**5. Funds Available and Authorized.**

- a. The State of Oregon's payment obligations under this Agreement are conditioned upon DHS receiving funding, appropriations, limitations, allotment, or other expenditure authority sufficient to allow DHS, in the exercise of its reasonable administrative discretion, to meet its payment obligations under this Agreement. County is not entitled to receive payment under this Agreement from any part of Oregon state government other than DHS. Nothing in this Agreement is to be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law regulating liabilities or monetary obligations of the State of Oregon. DHS represents that as of the date it executes this Agreement, it has sufficient appropriations and limitation for the current biennium to make payments under this Agreement.
- b. **Payment Method.** Payments under this Agreement will be made by Electronic Funds Transfer (EFT) and shall be processed in accordance with the provisions of OAR 407-120-0100 through 407-120-0380 or OAR 410-120-1260 through OAR 410-120-1460, as applicable, and any other Oregon Administrative Rules that are program-specific to the billings and payments. Upon request, County shall provide its taxpayer identification number (TIN) and other necessary banking information to receive EFT payment. County shall maintain at its own expense a single

financial institution or authorized payment agent capable of receiving and processing EFT using the Automated Clearing House (ACH) transfer method. The most current designation and EFT information will be used for all payments under this Agreement. County shall provide this designation and information on a form provided by DHS. In the event that EFT information changes or County elects to designate a different financial institution for the receipt of any payment made using EFT procedures, County shall provide the changed information or designation to DHS on a DHS-approved form. DHS is not required to make any payment under this Agreement until receipt of the correct EFT designation and payment information from County.

**6. Reserved.**

**7. Ownership of Intellectual Property.**

- a. Definitions. As used in this Section 7 and elsewhere in this Agreement, the following terms have the meanings set forth below:
- (1) "County Intellectual Property" means any intellectual property owned by County and developed independently from the Work.
  - (2) "Third Party Intellectual Property" means any intellectual property owned by parties other than DHS or County.
- b. Except as otherwise expressly provided herein, or as otherwise required by state or federal law, DHS will not own the right, title and interest in any intellectual property created or delivered by County or a Subcontractor in connection with the Work. With respect to that portion of the intellectual property that County owns, County grants to DHS a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to (1) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property, (2) authorize third parties to exercise the rights set forth in Section 7.b.(1) on DHS' behalf, and (3) sublicense to third parties the rights set forth in Section 7.b.(1).
- c. If state or federal law requires that DHS or County grant to the United States a license to any intellectual property, or if state or federal law requires that DHS or the United States own the intellectual property, then County shall execute such further documents and instruments as DHS may reasonably request in order to make any such grant or to assign ownership in the intellectual property to the United States or DHS. To the extent that DHS becomes the owner of any intellectual property created or delivered by County in connection with the Work, DHS will grant a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to County to use, copy, distribute, display, build upon and improve the intellectual property.

- d. County shall include in its Subcontracts terms and conditions necessary to require that Subcontractors execute such further documents and instruments as DHS may reasonably request in order to make any grant of license or assignment of ownership that may be required by federal or state law.

**8. County Default.**

County shall be in default under this Agreement upon the occurrence of any of the following events:

- a. County fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein;
- b. Any representation, warranty or statement made by County herein or in any documents or reports relied upon by DHS to measure the delivery of Work, the expenditure of payments or the performance by County is untrue in any material respect when made;
- c. County (1) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all or substantially all of its property, (2) admits in writing its inability, or is generally unable, to pay its debts as they become due, (3) makes a general assignment for the benefit of its creditors, (4) is adjudicated a bankrupt or insolvent, (5) commences a voluntary case under the federal Bankruptcy Code (as now or hereafter in effect), (6) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (7) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the federal Bankruptcy Code (as now or hereafter in effect), or (8) takes any action for the purpose of effecting any of the foregoing; or
- d. A proceeding or case is commenced, without the application or consent of County, in any court of competent jurisdiction, seeking (1) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of County, (2) the appointment of a trustee, receiver, custodian, liquidator, or the like of County or of all or any substantial part of its assets, or (3) similar relief in respect to County under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive calendar days, or an order for relief against County is entered in an involuntary case under the federal Bankruptcy Code (as now or hereafter in effect).

**9. DHS Default.**

DHS shall be in default under this Agreement upon the occurrence of any of the following events:

- a. DHS fails to perform, observe or discharge any of its covenants, agreements, or obligations set forth herein; or
- b. Any representation, warranty or statement made by DHS herein is untrue in any material respect when made.

**10. Termination.**

- a. County Termination. County may terminate this Agreement:
  - (1) For its convenience, upon at least 30 calendar days advance written notice to DHS;
  - (2) Upon 45 calendar days advance written notice to DHS, if County does not obtain funding, appropriations and other expenditure authorizations from County's governing body, federal, state or other sources sufficient to permit County to satisfy its performance obligations under this Agreement, as determined by County in the reasonable exercise of its administrative discretion;
  - (3) Upon 30 calendar days advance written notice to DHS, if DHS is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as County may specify in the notice; or
  - (4) Immediately upon written notice to DHS, if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that County no longer has the authority to meet its obligations under this Agreement.
- b. DHS Termination. DHS may terminate this Agreement:
  - (1) For its convenience, upon at least 30 calendar days advance written notice to County;
  - (2) Upon 45 calendar days advance written notice to County, if DHS does not obtain funding, appropriations and other expenditure authorizations from federal, state or other sources sufficient to meet the payment obligations of DHS under this Agreement, as determined by DHS in the reasonable exercise of its administrative discretion. Notwithstanding the preceding sentence, DHS may terminate this Agreement, immediately upon written notice to County or at such other time as it may determine if action by the Oregon Legislative Assembly or Emergency Board reduces DHS' legislative authorization for expenditure of funds to such a degree that DHS will no longer have sufficient expenditure authority to meet its payment obligations under this Agreement, as determined by DHS in the reasonable exercise of its administrative discretion, and the effective date for such reduction in expenditure authorization is less than 45 calendar days from the date the action is taken;

- (3) Immediately upon written notice to County if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that DHS no longer has the authority to meet its obligations under this Agreement or no longer has the authority to provide payment from the funding source it had planned to use;
- (4) Upon 30 calendar days advance written notice to County, if County is in default under this Agreement and such default remains uncured at the end of said 30 calendar day period or such longer period, if any, as DHS may specify in the notice;
- (5) Immediately upon written notice to County, if any license or certificate required by law or regulation to be held by County or a Subcontractor to perform the Work is for any reason denied, revoked, suspended, not renewed or changed in such a way that County or a Subcontractor no longer meets requirements to perform the Work. This termination right may only be exercised with respect to the particular part of the Work impacted by loss of necessary licensure or certification; or
- (6) Immediately upon written notice to County, if DHS determines that County or any of its Subcontractors have endangered or are endangering the health or safety of a Client or others in performing work covered by this Agreement.

- c. **Mutual Termination.** The Agreement may be terminated immediately upon mutual written consent of the parties or at such time as the parties may agree in the written consent.

**11. Effect of Termination.**

- a. **Entire Agreement.**
  - (1) Upon termination of this Agreement, DHS shall have no further obligation to pay County under this Agreement.
  - (2) Upon termination of this Agreement, County shall have no further obligation to perform Work under this Agreement.
- b. **Obligations and Liabilities.** Notwithstanding subsection a. above, any termination of this Agreement shall not prejudice any obligations or liabilities of either party accrued prior to such termination.

**12. Limitation of Liabilities.** NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT. NEITHER PARTY SHALL BE LIABLE FOR ANY DAMAGES OF ANY SORT ARISING SOLELY FROM THE TERMINATION OF THIS AGREEMENT OR ANY PART HEREOF IN ACCORDANCE WITH ITS TERMS. FOR THE TIME PERIOD BETWEEN THE EFFECTIVE DATE OF THIS AGREEMENT AND 90 CALENDAR DAYS AFTER THE IMPLEMENTATION OF PLAN OF CARE, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR

UNINTENTIONAL ERRORS IN AN INITIAL ENTRY INTO A PLAN OF CARE OR FOR ANY ERRORS CAUSED BY eXPRS RELATED TO A PLAN OF CARE. THIS LIMITATION OF LIABILITY IS PROVIDED TO THE EXTENT ANY RESULTING CONTINGENT REPAYMENT LIABILITY IS PERMITTED BY ARTICLE XI, SECTIONS 7 AND 10 OF THE OREGON CONSTITUTION AND THE OREGON TOR CLAIMS ACT, ORS 30.260 AND 30.300.

- 13. Insurance.** County shall require Subcontractors to maintain insurance as set forth in Exhibit G, Part 2 which is attached hereto.
- 14. Records Maintenance; Access and Confidentiality.**
- a. Access to Records and Facilities. DHS, the Secretary of State's Office of the State of Oregon, the federal government, and their duly authorized representatives shall have access to the books, documents, papers and records of County that are directly related to this Agreement, the funding provided hereunder, or any Service for the purpose of making audits, examinations, excerpts, copies and transcriptions. In addition, County shall permit authorized representatives of DHS to perform site reviews of all Services delivered by County.
  - b. Retention of Records. County shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the funds provided hereunder or any DD Service, for a minimum of six years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the termination or expiration of this Agreement. If there are unresolved audit or Agreement Settlement questions at the end of the applicable retention period, County shall retain the records until the questions are resolved.
  - c. Expenditure Records. County shall document the use and expenditure of all funds paid by DHS under this Agreement. Unless applicable federal law requires County to utilize a different accounting system, County shall create and maintain all use and expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit DHS to verify how the funds paid by DHS under this Agreement was used or expended.
  - d. Client Records. If County delivers a DD Service directly, County shall create and maintain an Individual record ("Client Record") for each Individual who receives that DD Service, unless the Service Element Standards and Procedures precludes delivery of the DD Service on an Individual Client basis and reporting of Service commencement and termination information is not required by the Service Element Standards and Procedures. The Client Record shall contain:
    - (1) Individual's identification;
    - (2) Assessments with problems;
    - (3) Treatment, training, and care plan, as applicable;
    - (4) Medical information when appropriate; and

- (5) Progress notes including Service termination summary and current assessment or evaluation instrument as designated by DHS in administrative rules.

County shall retain an Individual's records in accordance with OAR 166-005-0000 through 166-150-0215 (State Archivist). Unless OAR 166-005-0000 through 166-150-0215 requires a longer retention period, Client Records must be retained for a minimum of six years from termination or expiration of this Agreement.

15. **Information Privacy/Security/Access.** If the Work performed under this Agreement requires County or its Subcontractor(s) to have access to or use of any DHS computer system or other DHS Information Asset for which DHS imposes security requirements, and DHS grants County or its Subcontractor(s) access to such DHS Information Assets or Network and Information Systems, County shall comply and require all Subcontractor(s) to which such access has been granted to comply with OAR 407-014-0300 through OAR 407-014-0320, as such rules may be revised from time to time. For purposes of this section, "Information Asset" and "Network and Information System" have the meaning set forth in OAR 407-014-0305, as such rule may be revised from time to time.
16. **Force Majeure.** Neither DHS nor County shall be held responsible for delay or default caused by fire, civil unrest, labor unrest, natural causes, war or other cause which is beyond the reasonable control of DHS or County, respectively. Each party shall, however, make all reasonable efforts to remove or eliminate such cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. DHS may terminate this Agreement upon written notice to County after reasonably determining that the delay or breach will likely prevent successful performance of this Agreement.
17. **Assignment of Agreement, Successors in Interest.**
- a. County shall not assign or transfer its interest in this Agreement without prior written approval of DHS. Any assignment or transfer in violation of this Agreement shall be null and void. Any such assignment or transfer, if approved, is subject to such conditions and provisions as DHS may deem necessary. No approval by DHS of any assignment or transfer of interest shall be deemed to create any obligation of DHS in addition to those set forth in the Agreement.
  - b. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns.
18. **Alternative Dispute Resolution.** The parties should attempt in good faith to resolve any dispute arising out of this Agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
19. **Subcontracts.** County shall not enter into any Subcontracts for any of the Work required by this Agreement without DHS' prior written consent. In addition to any other provisions DHS may require, County shall include in any permitted Subcontract under

this Agreement provisions to require that DHS will receive the benefit of Subcontractor performance as if the Subcontractor were County with respect to Sections 1, 2, 3, 4, 7, 14, 15, 17, 20, 22 and 30 of this Exhibit E. DHS' consent to any subcontract shall not relieve County of any of its duties or obligations under this Agreement.

20. **No Third Party Beneficiaries.** DHS and County are the only parties to this Agreement and are the only parties entitled to enforce its terms. The parties agree that County's performance under this Agreement is solely for the benefit of DHS to assist and enable DHS to accomplish its statutory mission. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.
21. **Amendments.** No amendment, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both parties and, when required, the Department of Justice. Such amendment, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given.
22. **Severability.** The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
23. **Survival.** Sections 1, 4, 5, 7, 11, 12, 13, 14, 15, 18, 20, 21, 22, 23, 24, 25, 27, 29, and 30 of this Exhibit E shall survive Agreement expiration or termination as well as those the provisions of this Agreement that by their terms are meant to survive. Agreement expiration or termination shall not extinguish or prejudice either party's right to enforce this Agreement with respect to any default by the other party that has not been cured.
24. **Notice.** Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same, postage prepaid to County or DHS at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may indicate pursuant to this section. Any communication or notice so addressed and mailed by regular mail shall be deemed received and effective five calendar days after the date of mailing. Any communication or notice delivered by facsimile shall be deemed received and effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the recipient, or on the next business day if transmission was outside normal business hours of the recipient. Notwithstanding the forgoing, to be effective against the other party, any notice transmitted by facsimile must be confirmed by telephone notice to the other party. Any communication or notice given by personal delivery shall be deemed effective when actually delivered to the addressee.

26. **Counterparts.** This Agreement and any subsequent amendments may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement and any amendments so executed shall constitute an original.
27. **Waiver.** The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision. No waiver or consent shall be effective unless in writing and signed by the party against whom it is asserted.
28. **Reserved.**
29. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with County (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the Contractor from and against any and all Claims.

**12. Permitted Subcontracts.**

County shall include Sections 1 through 11, in substantially the form set forth above, in all permitted Contracts under this Agreement.

**INTERGOVERNMENTAL AGREEMENT  
FOR THE FINANCING OF  
COMMUNITY  
DEVELOPMENTAL DISABILITY SERVICES**

**EXHIBIT G PART 2  
SUBCONTRACTOR INSURANCE REQUIREMENTS**

County shall require its first tier Subcontractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance as specified under Section 1 and meeting all the requirements under Sections 2, 3, 4, 5, and 6 of this Exhibit G Part 2 before the Subcontractors perform under Subcontracts between County and the Subcontractors, and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to DHS. County shall not authorize Subcontractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce Subcontractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a Subcontractor to work under a Subcontract when County is aware that the Subcontractor is not in compliance with the insurance requirements. As used in this section, a "first tier" Subcontractor is a contractor with whom County directly enters into a Subcontract. It does not include a subcontractor with whom the Subcontractor enters into a contract.

**1. Types and Amounts.**

- a. **Workers' Compensation.** Insurance must be in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). If contractor is a subject employer, as defined in ORS 656.023, contractor shall obtain employers' liability insurance with coverage limits of not less than \$500,000.
- b. **Professional Liability.** Professional liability covers any damages caused by an error, omission or negligent act related to the Services to be provided under the Subcontract, with limits not less than the following, as determined by DHS, or such lesser amount as DHS approves in writing:

Per occurrence for all claimants for claims arising out of a single accident or occurrence:

Subcontract not-to-exceed amount:	Required Insurance Amount:
Not over \$1,000,000.	\$1,000,000.
Over \$1,000,000, but not over \$2,000,000.	\$2,000,000.
Over \$2,000,000 but not over \$3,000,000.	\$3,000,000.

Professional liability insurance is required for professionals or entities that provide professional Services for which professional liability insurance is available for the profession.

- c. **Commercial General Liability.** Commercial general liability insurance covers bodily injury, death, and property damage in a form and with coverage that is satisfactory to DHS. This insurance shall include personal injury liability, products and completed operations. Coverage shall be written on an occurrence form basis, with not less than the following amounts as determined by DHS, or such lesser amount as DHS approves in writing.

Bodily Injury, Death and Property Damage:

Over \$3,000,000.	\$4,000,000.

- d. **Automobile Liability.** Automobile liability insurance is required for first tier Subcontractors when the scope of work includes transportation. Automobile liability insurance covers all owned, non-owned, and hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance with separate limits for "Commercial General Liability" and "Automobile Liability". Automobile Liability Insurance must be in not less than the following amounts as determined by DHS, or such lesser amount as DHS approves in writing:

**2. Additional Insured.**

The Commercial General Liability insurance and Automobile Liability insurance must include the State of Oregon, its officers, employees and agents as Additional Insured but

only with respect to the Subcontractor's activities to be performed under the Subcontract. Coverage must be primary and non-contributory with any other insurance and self-insurance.

**3. "Tail" Coverage.**

If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the Subcontractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the Subcontractor's completion and County's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the Subcontractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the Subcontractor may request and DHS may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If DHS approval is granted, the Subcontractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

**4. Notice of Cancellation or Change.**

The Subcontractor or its insurer must provide 30 calendar days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

**5. Certificate(s) of Insurance.**

County shall obtain from the Subcontractor a certificate(s) of insurance for all required insurance before the Subcontractor performs under the Subcontract. The certificate(s), or an attached endorsement, must specify: (i) all entities and individuals who are endorsed on the policy as Additional Insured; and (ii) for insurance on "claims made" basis, the extended reporting period applicable to "tail" or continuous claims made coverage.
