Hi Laura.

As previously discussed, we are filling two positions at DCJ – Adult:

1. Parole & Probation Officer: Crystal Bartell was selected to fill the position, and her hire date will be tomorrow, 9/24/15.
2. Pretrial Services Officer: Lucy Earvins was selected for the position, and she will begin on 10/9/15. Lucy is currently a Probation Officer Aide with us. We will now recruit to fill that vacancy.

Please note. Both of these positions are being funded with State Justice Reinvestment Funds. As you recall, when we prepared our budget earlier this year, we did not know the exact amount of the Justice Reinvestment funds. Potential funds for the PSO position were identified, and accounted for under a “placeholder” line item. Now that the funding is known and we are able to fill this position, now **we will need Position Authority for one Pretrial Services Officer.**

Vicki will be submitting PA’s for these two people right away.

Thank you.

Ted
