Subject: Monday's Informal Agenda Item

Commissioners – During next week's Informal Session we will be discussing with you the submission of three grant applications: two for the Enhance grant, 1) that will include the multimodal transportation project of the Westsider Trail and 2) a request for vehicle purchases for our transit program.

The other grant program is Connect Oregon which is due at the same time and we will be asking you for consideration of the Westsider Trail multimodal transportation project for this grant.

We are currently working on more specific project scope, cost and match requirement briefing materials and will have them for you at Monday's session.

Lucy – please add this to Monday's Informal Session agenda.
