**Annual Mileage Rate Adoption**

Commissioners, each year the Commissioners review the County and IRS mileage rate and adopt a rate for the year. The 2016 IRS mileage rate has been set at 54 cents per mile. The current county rate is 53 cents per mile.

I would recommend that the Board adopt the IRS mileage rate for 2016 at 54 cents per mile for county departments.

Lucy – will you please add this to tomorrow’s agenda for the Commissioners’ discussion?

Thanks, Laura

Business	54 cents per mile

Accepted by Yamhill County  
Board of Commissioners on  
1-28-16 by Board Order  
# 16-38

Good afternoon:

The IRS has announced the 2016 mileage rates. Details are found below in Notice 2016-01:

**Issue Number: N-2016-01**

---

Notice 2016-01 provides the optional 2016 standard mileage rates for taxpayers to use in computing the deductible costs of operating an automobile for business, charitable, medical, or moving expense purposes. This notice also provides the amount taxpayers must use in calculating reductions to basis for depreciation taken under the business standard mileage rate, and the maximum standard automobile cost that may be used in computing the allowance under a fixed and variable rate (FAVR) plan.

Notice 2016-01 will be in IRB 2016-02, dated January 11, 2016.

It is anticipated that the 2016 federal tax withholding charts will be available in early January. I forward that information as soon as it becomes available.

Thank you.
