RE: Recommendation of Appointment of Sam Sweeney to RIAC Subcommittee,
Roadside Vegetation Management Technical Advisory Committee

At the RIAC meeting of March 10, 2016, RIAC members voted that Sam Sweeney should be recommended for appointment to the Roadside Vegetation Management Technical Advisory Committee. Members of the committee expressed that Mr. Sweeney is considered an established and knowledgeable Yamhill County resident on issues involving vegetation management and control. He attended the last subcommittee meeting on February 29th, and accompanied the subcommittee on its tour of the road Public Works intends to pave this summer. Mr. Sweeney indicated a willingness to serve on the subcommittee if appointed.

I recommend that Sam Sweeney be appointed to a two year term.
