Joel – I can't remember if I notified you yet, but the Board of Commissioners voted to approve funding of \$5,000 for fiscal year 2016-17 for an assistant watermaster. You should have your department send us a letter requesting the funds sometime shortly after July 1, 2016.

Thanks, Laura Tschabold

Joel – I'd wanted to take a moment to let you know that the Commissioners are reconsidering the decision of the Budget committee and will be voting this Thursday whether or not to fund the Assistant Water Master position for this coming summer at \$5,000. I will be in contact after the meeting to let you know the outcome of the vote.

Subject: Yamhill County Funding Request

Good afternoon, Joel –

Thank you for taking the time to make the trip to the Yamhill County Budget Committee Public Hearing Monday evening and speaking with the budget committee members. The budget committee finished up their deliberations on the budget yesterday, and unfortunately, they did not allocate any funding for the assistant water master position. This was a difficult discussion, but in the end, this was the decision.
