Hello Laura,

I did have that in the back of my mind thinking my term was up, but did not think any more of it. Please know that I thoroughly enjoy my participation in the process and my association with everyone in your office, commissioners included. 😊

If re-appointed, I would be delighted to serve another term.

Kindest regards,

Angel

Hi, Angel – imagine my surprise when I was checking on Shelley's term to discover that it is your term that is up this June, not Shelley's! I have talked with the Commissioners, and they would very much like to reappoint you for another term on the budget committee if you are willing to serve. They have appreciated your perspective and leadership and would like to have you continue on the committee.

Could you let me know if you are interested in continuing?
