Re: Request to declare items surplus

Over the years, Dog Control has received several donated items at the kennel. With our current operation, these items are no longer needed. We have made attempts to offer to local non-profits including another Sheriff's Office; however no one has wanted the items. It is time to vacate that previous kennel and I am asking the boards permission to declare these items surplus to be sold at County auction or sent for destruction at the conclusion if not sold.

The items include some kennel fencing and dog houses with a current estimated value of around \$400
