Subject: FW: Input request for installation of temporary gate

Good morning Yamhill County Commissioners,

Below and attached you will find a note and map from the BLM Salem District, Tillamook Resource area notifying us of the installation of a temporary gate to protect the purchaser equipment on an O&C timber sale in Yamhill County. A local landmark for a point of reference is the Barney Reservoir off the Turner Creek Mainline Road. Please let me know if you have a concern with the proposed temporary installation of the gate by the close of work Tuesday, June 21st. Thanks,

Rocky McVay
AOCC Executive Director

Subject: Fwd: Input request for installation of temporary gate

To Whom It May Concern,

Karen Schank Tillamook Field Manager is contemplating a request to **install a temporary gate**. Boise Cascade located in Willamina, Or. purchaser of the BLM Holiday Timber Sale located in Township 2 South, Range 5 West, Sections 3, 5 & 7 W. M, Yamhill County (see attached map) has requested to install a temporary gate to protect equipment. Forest lands and logging operations throughout Northwest Oregon have experienced an increase in vandalism and theft of machinery, tools and trees over the past several years. Theft of tools has occurred in the proposed area to be gated just in the last week. A temporary gate will help deter and prevent potential damage and/or theft of machinery on this timber sale. The temporary gate will be removed at the completion of operations which is anticipated to be October 15 of this year. Current access to this timber sale is only through private ownership.

Please let me know if you have any questions.

Thank You,

Joel Churchill
