Good morning Keri.

Walter Shields's term expires this month on the Forestland Classification Committee. He is willing to continue to serve on this committee and will need to be reappointed for another 4 year term. Would it be possible to get this on the agenda for the Board's next session?

The other expiring member on our roster, Cathy Bisset, will not be continuing on this committee. We are working on a replacement and I hope to contact you again in the near future with that update.

Hi Nate,

Here is the action list from the Commissioners formal session yesterday showing that the appointment of Mary Chamness was approved. I have also attached an updated roster list for your review and if you see any other changes that need made let me know.

Thanks,
Keri

She owns and manages forestland in Yamhill County (as well as others).

Thanks for your input also. We will just wait until June to have the reappointment conversation.
