How many jobs are being created by this investment: 6 full time	
Describe how the funds will be used and the resulting economic development benefit: Purchasing a Cabinet shop from a retiring woodworker. It includes surface sander, table saws, jointer, planer, band saw, many hand tools, fixtures and equipment needed to teach woodworking classes to students (ages 12 - adult). Afternoon classes will be open to teens, and will include customer interaction, basic business skills and an understanding of what employers need today. These students will have a "jumpstart" in marketable skills when they are finished with the classes. Adult classes will be taught evenings and week ends
