Re: YCINT staffing plan

As I have discussed previously, I am requesting Board approval to move my FTE's to allow staffing of the YCINT team. This can be done by keeping the same number of FTE's on Rural patrol, and will add 1 working Sergeant to the patrol teams. Attached is a breakdown of my proposal. This request does not add personnel to my ranks; it only restructures my current CRT FTE. This overall movement will have a net personnel cost increase of around \$3621. This increase is supported in my current FY 16/17 budget.

Feel free to contact me if you have further questions.

Sincerely,
