Dear Mr. Davis:

The Yamhill County Board of Commissioners would like to express its support of the Yamhill Community Development Corporation (CDC)/Community Home Builders grant application. As Yamhill County Commissioners, we believe that the undertakings of Yamhill CDC are very helpful for many households in adverse conditions. Its work supports the wellbeing of children, strengthens families and, quite literally, builds and broadens a healthy, robust community.

In particular, the subdivision in McMinnville, OR, in which Yamhill CDC is preparing to build 29 homes, will prove itself a boon to the community and those families seeking housing in the immediate vicinity. In an environment of rapidly changing housing markets and tight financing, it is extremely difficult for certain families to obtain affordable housing. Yamhill CDC is working to act against this threatening economic trend and we support their efforts.

Sincerely,
