Recipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.

Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

c. **Procurements.**

i. Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable, including all applicable provisions of the Oregon Public Contracting Code and rules. Procurements of rolling stock, facilities and personal services for any amount, and all procurements for an amount greater than \$100,000 must be approved by State prior to solicitation.

ii. Recipient shall complete all purchases, including installation, and all construction of capital assets funded under this Agreement prior to the Expiration Date of this Agreement. If local circumstances prevent purchase, installation, or construction by the specified date, Recipient will notify State in writing of the circumstances regarding the delay. Such notification must be received at least forty-five (45) days prior to the expiration of the Agreement. Agreement amendment for time will be considered in extenuating circumstances.

10. **Termination**

a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:

- i. Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal; or
- ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
- iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding

- under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice, if:
- i. The requisite local funding to continue the Project becomes unavailable to Recipient; or

- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.

- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- c. **Reserved.**
- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section 11.g. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. EACH PARTY HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.
- i. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established

- pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.
- j. **Insurance; Workers' Compensation.** All employers, including Recipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Recipient shall ensure that each of its subrecipient(s), contractor(s), and subcontractor(s) complies with these requirements.
 - k. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
 - l. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
 - m. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
 - n. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Recipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

The Parties, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

Insurance Requirements

GENERAL.

Recipient shall require in its first tier subagreements with entities that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before performance under the subagreement commences, and ii) maintain the insurance in full force throughout the duration of the subagreement. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to State. Recipient shall not authorize work to begin under subagreements until the insurance is in full force. Thereafter, Recipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Recipient shall incorporate appropriate provisions in the subagreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Recipient permit work under a subagreement when Recipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, "first tier" means a subagreement in which the Recipient is a Party.

TYPES AND AMOUNTS.

i. **WORKERS COMPENSATION.** Insurance in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Employers liability insurance with coverage limits of not less than \$500,000 must be included.

ii. **COMMERCIAL GENERAL LIABILITY.** Commercial General Liability Insurance covering bodily injury, death, and property damage in a form and with coverages that are satisfactory to State. This insurance shall include personal injury liability, products and completed operations. Coverage shall be written on an occurrence form basis, with not less than the following amounts as determined by State:

Bodily Injury, Death and Property Damage:

\$1,000,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence).

iii. **AUTOMOBILE Liability Insurance: Automobile Liability.** Automobile Liability Insurance covering all owned, non-owned and hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits for "Commercial General Liability" and "Automobile Liability"). Automobile Liability Insurance must be in not less than the following amounts as determined by State:

Bodily Injury, Death and Property Damage:

\$1,000,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence).

ADDITIONAL INSURED. The Commercial General Liability Insurance and Automobile Liability insurance must include State, its officers, employees and agents as Additional Insureds but only with respect to the contractor's activities to be performed under the Subcontract. Coverage must be primary and non-contributory with any other insurance and self-insurance.

"TAIL" COVERAGE. If any of the required insurance policies is on a "claims made" basis, such as

professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of: (i) the contractor's completion and Recipient's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and State may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If State approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE. The contractor or its insurer must provide 30 days' written notice to Recipient before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE. Recipient shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.

1 "Minority persons" are defined in SB 463 (2013 Regular Session) as women, persons with disabilities (as defined in ORS 174.107), African-Americans, Hispanics, Asians or Pacific islanders, American Indians, and Alaskan Natives.

The Oregon Department of Transportation Rail and Public Transit Division (RPTD), per Oregon Department of Administrative Services guidance, is collecting racial and ethnic impact information just prior to agreement execution rather than at the time of grant application. It is RPTD's opinion that this does not violate the intent of the law.
