Re: SWAC Position

The Waste Management Riverbend Landfill position previously held by Dave Adler has been filled by Nicholas Godfrey. Staff recommends the vacated SWAC position be filled with the new District Operations Manager of Riverbend Landfill, Nicholas Godfrey.

ORS 459.320 states: "The Board shall select members of the committee from among at least each of the following groups, to the extent feasible: (1.d) Employees of the permittee ('permittee' is defined in ORS 459.315 as a person operating a regional disposal site under a permit issued under ORS 459.245.)"

Nicholas Godfrey holds a position with the company that represents Waste Management Riverbend Landfill.

## ACTION:

The Board can appoint Nicholas Godfrey to a three year term on the SWAC (staff's recommendation), or ask Waste Management to select other candidates for this position.
