Emergency Management Update – Brian Young discussed with the Board an overview of their May 12th exercise. Mr. Young stated this exercise focused on flooding and debris management, testing the coordination abilities with The Confederated Tribes of Grand Ronde, Yamhill and Carlton-focusing on how each entity funnels resources. He addressed establishing a county emergency operations center within one hour, developing an incident action plan, and an emergency hotline for the public to call. Mr. Young gave a brief overview of how the program will look moving forward with future trainings, building relationships with local business, streamlining processes and delegations of authority.

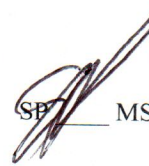

The meeting recessed for an executive session pursuant to ORS 192.660(2)(e) at 2:42 p.m. and reconvened at 3:06 p.m. with no final decisions made and the sense of the Board conveyed to staff.

Following commissioner updates, the meeting adjourned at 3:25 p.m.
