Dear BOC:

The Local Alcohol and Drug Planning Council is a statutory creation that has responsibilities related to A & D treatment in the county. The Board of Commissioners is responsible for appointing its members. Historically, the director of Community Corrections has held a seat on the LADPC. With Ted's imminent retirement, and as Chair of the LADPC, I am requesting that the BOC formally appoint his successor, Jessica Beach, to the LADPC.

Likewise, there has historically been a member of the State Department of DHS, Child Welfare, on the LADPC. Marco Navarrete has been on the LADPC, but is no longer with the local DHS office. I am asking the Stacey Daeschner be appointed to replace him. She is the current manager of the McMinnville DHS office.

Paula Lawrence, a local defense attorney, and David Case, Senior Pastor with the Newberg Christian Church, have both expressed interest in continuing on the LADPC, but their terms have expired. I would ask that they be reappointed.

Kent Mahelona has advised that he is no longer able to serve, and I am asking that he not be reappointed.

Please let me know if you have any questions or would like me to attend a BOC meeting to discuss this further. Thank you in advance for your consideration of these requests.

Respectfully,

Brad Berry
Chair, Yamhill County LADPC
