Section 5.1 of the Riverbend Landfill License Agreement allows adjustments to the County tipping fee. It reads, in part "The County Tipping Fee (Section 3.1) shall be adjusted on July 1, 2013 and annually thereafter by a percentage equal to 85% of the annual percent change in the Consumer Price Index ("CPI"), January to January, for All Urban Consumers for West-A..."

The Yamhill County Solid Waste Advisory Committee voted in favor of making a recommendation to the Board of Commissioners a rate increase at Riverbend Landfill gate of an additional \$.75 per ton.
