Hi Keri:

I'd like to arrange to meet shortly with the County Supervisors to discuss the installation of a Steve Tyree sculpture on the existing concrete pad adjacent to the County Clerk's office. I've already checked with Brian and he finds the piece acceptable to him.

I've attached a couple of photos of the piece so the Supervisors can get an idea of it.

The piece will be installed for a period of 2 years with an honorarium of \$750, which at this time the MDACPA public art committee is planning to pay.

Please let me know if you need more information.

Sincerely,  
McMinnville Downtown Association Committee for Public Art
