RE: Reimbursement to Dave McKeel for Loop Road paving

Sometime in 2013, Dave McKeel, a resident at 11400 SE Loop Road, approached me to inquire about the feasibility of paving Loop Road. At the time, I advised him it was not being considered for inclusion on our annual list of roads for paving. Because of that discussion, Mr. McKeel incurred the expense of paving 700 feet of the road on August 31, 2013 at a cost of \$19,600. He contracted with Baker Rock Resources for this county road improvement.

Since Loop Rd was chosen by RIAC, and approved by the Board, to be included in the 2017 paving schedule, I am requesting that the Board consider that it would be fair to reimburse Mr. McKeel \$5000. There is precedence for this because on August 15, 2015 under B.O. #15-344, the county authorized reimbursement to Kevin Krieger in the same amount, for approximately the same expenditure, for paving a portion of Albertson Road in 2011. Public Works has the funds available in its FY 17/18 budget for this expenditure.
