Information to assist the Board of Commissioners in considering your application (the back of this page may be used if more space is needed and a resume may be attached):

I have practiced property law in Yamhill County for more than 10 years. My practice has included land use matters and compliance with state and local land use rules and regulations. I graduated with honors from West Virginia University School of Law before moving to Yamhill County in 2007. Before that, I was an associate at Steptoe & Johnson, a large law firm on the east coast, and clerk to the Honorable David A Faber, chief judge of the United States District Court for the Southern District of West Virginia. I would be honored to give back to my community by serving as a planning commissioner. Please let me know if I can provide further information regarding my qualifications.
