Good morning Commissioner,

Just wanted to let you know that we discovered a couple of minor edits to two items that were approved on yesterday's consent Agenda. While the changes are minor, we do think these amended agenda items should come back before the Board to ensure the action items accurately reflect what was being requested for consideration:

✓ #5. **B.O. 18-446** - Authorize Health and Human Services to submit a proposal for grant funding from the State of Oregon for the Veteran Behavioral Health Peer Support Specialist pilot program in the amount of ~~\$120,000~~ **[\$73,692]**.

#8. **B.O. 18-449** - Approval of amendment #7 to the delegation agreement between Yamhill County Health and Human Services and Yamhill Community Care Organization (B.O. 14-706), **[including]** ~~for a one time allocation to the Community Prevention and Wellness fund in the amount of \$394,495 for mental health and substance use disorder services effective January 1, 2019.~~

We will need to rescind these Board Orders and replace with the suggested language provided above. Carolina will be adding these items to next week's preliminary consent agenda.

Please let me know if there are any questions.

Thank you,
Ken Huffer
