TO: Yamhill County Board of Commissioners; Ken Huffer, County Administrator;
Justin Hogue, Business Services Director

FROM: Shane Hoffman, IT Manager

SUBJECT: Procure SQL Server and Windows DataCenter Licenses for 2019-20 Fiscal Year

ATTACHMENTS (1): Dell Quote

Request:

IT is requesting Board of Commissioners' authorization to purchase SQL Server Standard licensing and Windows Server Data Center licensing from Dell in the amount of \$51,524.12 for 2019-20 fiscal year. The quantities on the quote reflect what Yamhill County is required to purchase to remain in compliance. We are paying for the second year of three years for SQL Server Standard and Windows Server Data Center licensing. After the third year we will continue to pay SA (software assurance) each year. SA costs are generally 25% of the yearly cost, so approximately \$13,000 per year. Software assurance gives us the ability to upgrade to new versions in the future and provides us with other necessary technical advantages.

Dell is our chosen Microsoft channel partner for licenses; if we purchased the licenses from a new vendor, SA would not be transferrable, licensing would be cancelled because we would not have paid the full three years, and we would have to start over again with a new vendor. Due to these reasons, we recommend purchasing the licenses from Dell and not acquiring additional quotes.

Thank you for your time and consideration for this request.

Regards
Shane J Hoffman
