This Letter of Intent ("Letter") expresses the intent of **Yamhill County Jail** ("Company") and **Siemens Industry, Inc.** ("SII") to enter into an agreement regarding the provision of **Yamhill County Jail PLC/VMS Upgrade** ("Project"), and confirms its award to SII for the agreed upon price of **\$1,676,491**, for the proposal dated **August 20, 2019**. It is expected that we will enter into a mutually acceptable contract within a reasonable period after the date of this Letter.

If the Company elects at any time not to proceed further with any portion of the Project, it will be obligated to pay SII an amount equal to the accrued expenses, engineering and other project development costs SII has incurred with respect to the Project through the effective date of the termination of the Project, or the applicable portion of it. The Company will pay this amount within thirty (30) days after it receives an invoice from SII.

Company and SII agree to the understandings and commitments effective on the date of this Letter.
