Dear Ms. Tate,

The Yamhill County Board of Commissioners supports the expansion of high-speed internet in the rural areas of Yamhill County.

As we look forward to K-12 school restarting in the fall, students will need access to high-quality, affordable, fast internet in order to continue learning and not fall behind in their educations, even as the pandemic may require distance education for some of the time. The unincorporated areas of Yamhill County need high-speed internet and we support the expansion of internet infrastructure to accommodate higher-speed and more affordable internet.

Respectfully,

Casey Kulla  
Chair

Mary Starrett  
Vice-Chair

Richard L. "Rick" Olson  
Commissioner
