**Subject:** Board Consideration: Permission to apply Supplemental Flu Funding

Hi Mary and Ken,

I am requesting permission to apply for \$23,302 from the Oregon Health Authority, Oregon Immunization Program. While this amount is not specifically included in our Health and Human Services 2020-2021 Adopted Budget, we have sufficient budget authority to receive the funds if awarded.

My apologies for sending this late in the day. We received notification this afternoon and need to respond by next Thursday 9/24.

These funds are intended to:

- Provide enhancement to the prevention of influenza disease in the time of COVID
- Protect the healthcare system from preventable influenza, with a primary focus on communities most affected by COVID-19 disease
- Prepare all stakeholders for the arrival and implementation of activities related to COVID-19 vaccine
- Improve the local, regional and state immunization infrastructure

Carolina/Keri, please place this item on the next Board Agenda for approval. Suggested Board Agenda language: "Authorize Lindsey Manfrin or designee on behalf of Yamhill County Health and Human Services to submit an application for funding from the Oregon Health Authority in the amount of \$23,302."

Thanks,
