Re: Yamhill Community Development Corporation

Dear Mr. Davis,

We would like to express our support for the mission and goals of Yamhill Community Development Corporation/Community Home Builders. As civic leaders who share similar goals, we appreciate the assistance that Yamhill CDC provides to many families who are living in adverse conditions while seeking to improve their quality of lives. The work of Yamhill CDC is evident in the wellbeing of children, strengthening of families and the building of a healthy and robust community.

The subdivisions which Yamhill CDC is preparing to build in Carlton and Amity, Oregon will prove to be a boon to Yamhill County and to those families seeking housing in the immediate vicinity. Yamhill CDC is providing an affordable alternative to many families, in midst of a rapidly changing and difficult housing market. We appreciate your efforts in supporting those who choose to live in the communities of Yamhill County.

Respectfully,

Casey Kulla  
Chair

Mary Starrett  
Vice-Chair

Richard L. "Rick" Olson  
Commissioner
