Re: Courthouse Campus Painting

To: Board of Commissioners  
Cc: Ken Huffer; Justin Hogue

In keeping with the upkeep of the County buildings, Facilities has solicited quotes for the painting of the Courthouse, Sheriff's Office, and Juvenile Detention campus. This would include digging out the old caulking, patching EIFS, and cleaning and resealing brick work.

Facilities reached out to four local contractors for quotes, they are as follows.

|                       |  |
|-----------------------|--|
| JK Painting           | \$99,861.00                                    |
| Barr Construction     | Did not provide quote after evaluating project |
| Rob Leathers Painting | Did not provide quote after evaluating project |
| Get It Painted Inc.   | Did not provide Quote after evaluating project |

Based on the quote received and the need to have the project completed I respectfully recommend we accept the quote provided by JK Painting and instruct them to proceed as soon as possible.

Thank you,

Joe Moore
