Re: Request to declare property surplus – XP26 Tasers

Please consider this memo as a request for approval to declare six out of warranty Taser XP26 conducted energy weapons (CEW) as surplus property to be traded in for reimbursement to Axon, the manufacturer of Taser. In January of 2021, YCDCJ transitioned to the Taser 7 Close Quarter CEW as our older models were out of warranty and no longer eligible for technical support. Axon, the only manufacturer of Taser CEW's, will provide YCDCJ \$720 in reimbursement for the six XP26 CEW's which will assist to supplement the cost of purchase of the newer model.

Please let me know if you have any questions.

Thank you for consideration of this request.
