MEMORANDUM

To: Board of Commissioners

RE: Vehicle Donation

Yamhill County Search and Rescue, a nonprofit organization, would like to donate a 2013 Ford F350 4x4 pickup to the Yamhill County Sheriff's Office Search and Rescue program. We inspected the 2013 Ford F350 4x4 pickup, equipped with a utility box, to assess its value and operation. This pickup has 133,000 miles but is in excellent condition. It would be used for training as well as Search and Rescue missions. Actual mileage each year would be relatively low. The value of this truck is approximately \$20,000. With board approval, this vehicle would be added to the Sheriff's motor vehicle fleet and maintained by fleet. This vehicle would not participate in the replacement fund.

This fiscal impact of maintaining the vehicle is relatively low considering the value of the vehicle. This vehicle would not participate in the replacement fund, so the vehicle would cost the Sheriff's department \$0.38 per mile at the current rate. With the minimum charge of 600 miles per month, this vehicle would cost the Sheriff's department \$2,736 annually.

We are requesting the Board to accept the donation of one, 2013 Ford F350 on behalf of the Sheriff's Office so it may be used for the Search and Rescue program, and for the vehicle to be maintained by Fleet.

Thank you,

Russ Heath
