Re: Board Member Resignation, Board Appointment Recommendation.

Commissioners.

At the board meeting of June 10, 2021, April Courtney expressed to the board that while she enjoyed being on the board, life circumstances did not allow her to continue on with her duties as a board member. The board acknowledged her many years' service to the fair.

The board would like to recommend to the two positions that are open:

Greg Wildhauber ✓
~~Dwight Demmin~~

Both of these people have spent many hours here and understand how the fair and event center work.

The board then directed that a recommendation be sent to the Board of Commissioners that they would approve of these gentlemen being appointed to the Fair Board.

Sincerely,
