Re: **Newberg Urban Area Management Commission**

---

The Newberg Urban Area Management Commission (NUAMC) is made up of representatives from the City and County. Two representatives from the County Planning Commission are required. Alan Halstead has previously served and would like to be reappointed and Kit Johnston has volunteered to fill the additional seat. The NUAMC is scheduled to meet in the next couple of months to consider an application to amend the Newberg Urban Reserve Area. In order to have a full representation on this Commission, could the Board please consider appointing Mr. Johnston and reappointing Mr. Halstead to NUAMC so they can represent the Planning Commission at their next hearing?
