YAMHILL COUNTY LOCAL CONTRACT REVIEW BOARD COVERSHEET

DATE: August 12, 2021
TO: Board of Commissioners
FROM: Mark Lago, Public Works Director
RE: Approve A & R Tree Service Quote

BACKGROUND:

Public Works has received several complaints about Recreational Vehicles (RVs), and semi and log trucks hitting tree limbs which are damaging the vehicles on Bethel Road and Eola Hills Road.

It is the responsibility of the Public Works Department to maintain a vertical clearance of 18 feet from the road surface. This work is performed by a contractor with a special boom truck to reach this height.

Public Works has reached out to a couple tree care companies that have worked for Yamhill County in the past. Northwest Tree Care isn't available until October 2021, but A & R Tree Service can perform this work on or before August 23, 2021.

The quote from A & R Tree Service is \$26,475, a large portion of which is for the cost of traffic control.

STAFF RECOMMENDATION:

Approve the quote of \$26,475 for A & R Tree Service to trim the tree branches to a vertical height of 18 feet on Bethel Road and Eola Hills Road.

FISCAL IMPACT:

Request appropriation authority in Fund 11 that has sufficient funds to cover this expense in the approved 2021-22 budget.
