Re: Surplus Office Type Furniture

To: Mary Starrett

Cc: Ken Huffer, Justin Hogue

As you know Facilities maintains the "Bone Yard" as a service for all departments throughout the County. Unfortunately, we are busting at the seams and need to move some of the items out to make way for new items.

I have attached a copy of an inventory taken of all we have at this time; this inventory is up to date as of the week of August 16th as items do come and go.

In the past we have provided a copy of the inventory to the Board to declare as surplus, allowing us to advertise these items for sale to the public at a very low price. At the same time, the inventory will be made available to all local government agencies in the county to take advantage of at no cost. Therefore, I am requesting that the attached inventory be considered by the Board in their next Formal session to be declared as surplus.

Thank you,
