**AGREEMENT:** In consideration of the mutual covenants contained below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner and Contractor hereby agree as follows:

1. **Scope of work and services; filing of payment and performance bond.** The Contractor will commence and complete the construction of the Project in strict accordance with the Contract Documents identified above and Contractor's Quote, attached hereto as Exhibit A and incorporated herein by this reference. The Contractor acknowledges receipt of all Contract Documents in existence at the date it executed this Agreement. Contractor represents to Owner that Contractor has made a reasonable inspection of the Project site(s) and is reasonably familiar with the Project site(s) conditions that might affect Contractor's performance of the Project pursuant to this Agreement. 5. **Penalty for failure to meet deadline.** The parties agree that Owner has a substantial interest in the timely completion of the Project and all work and services to be performed under this Agreement in accordance with the agreed upon schedule. However, the parties agree that the damages to be anticipated from the failure of Contractor to complete this Agreement in the specified time are uncertain and difficult to establish. The parties therefore desire to liquidate Owner's damages for Contractor's failure to complete the Project and all work and services on time. The parties therefore agree that the Contractor is liable for and shall pay as liquidated damages to Owner the sum of \$162.91 (equal to Contract Price times .005) per day for each calendar day to commence on the first calendar day after the required completion date under this Agreement and to continue after each and every calendar day until all work is satisfactorily completed as specified in the Contract Documents.

21. **Nonwaiver.** No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative, that is, in addition to every other remedy provided therein or by law. The failure of Owner to enforce at any time any of the terms of this Agreement, or to exercise any option which is provided, or to require at any time performance by Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of any part of this Agreement, or the right of Owner to thereafter enforce each and every provision.

The mediator's charges and expenses shall be borne equally by the parties. All other expenses, including attorney fees and costs, shall be borne exclusively by the party requiring the service or for which payment is to be made.

They shall make such materials available at their respective offices at all reasonable times during this Contract, and for three (3) years from the date of final payment under this Contract, for inspection by Owner or its authorized designees.
