**TO:** Board of Commissioners  
**FROM:** Mark Lago, Public Works Director  
**RE:** Recommendations for the Road Improvement Advisory Committee (RIAC) subcommittee, Roadside Vegetation Technical Advisory Committee

**BACKGROUND:**

I would like to recommend that Keith Nasman be appointed to the Roadside Vegetation Management subcommittee under RIAC as a replacement for Marie Vicksta, who was appointed in March 2018. Mr. Nasman is a staff member of the Yamhill Soil and Water Conservation District.

I would also like to recommend that Jordan Anderson be appointed to the Roadside Vegetation Management subcommittee under RIAC as a replacement for Luke Westphal, who was appointed in March 2018. Mr. Anderson is the owner of Cascade Habitats LLC, which is a company that focuses on Natural Resource Management and is primarily concerned in habitat reforestation and freshwater ecosystems.

Keith's and Jordan's insights and perspectives will be beneficial to the committee. They are both willing to serve, if appointed.
