SUBJECT: Procure Windows 10 Enterprise Licensing for 2022-23 Fiscal Year

ATTACHMENTS (1): TechHeads Quote

Request:

IT is requesting Board of Commissioners' authorization to purchase 350 Windows 10 Enterprise licenses from TechHeads in the amount of \$44,257.50 for 2022-23 fiscal year. The quantities on the quote reflect what Yamhill County is required to purchase to remain in compliance. We are paying for the third year for the 350 Windows 10 Enterprise licenses. After the third year we will continue to pay SA (software assurance) each year. SA costs are generally 45% of the yearly cost, so approximately \$20,000 per year. Software assurance gives us the ability to transfer Windows 10 Enterprise licenses from one device to another as needed (e.g., when someone receives a new pc or laptop the Windows 10 Enterprise license can be transferred from the old device to the new device). The funding for Windows 10 Enterprise licensing will be paid for by account 110-1025017-68307 – Information Technology|Software License and Maintenance fees.

TechHeads is our chosen Microsoft channel partner for the 350 licenses; if we purchased the licenses from a new vendor, SA would not be transferrable, licensing would be cancelled because we would not have paid the full three years, and we would have to start over again with a new vendor. Due to these reasons, we recommend purchasing the licenses from TechHeads and not acquiring additional quotes.

Thank you for your time and consideration.

Regards
Shane J Hoffman
