SUBJECT: Bitdefender Yearly Maintenance Renewal

ATTACHMENTS (1): TechHeads Quote

Request:

IT is requesting Board of Commissioners' authorization to renew our yearly BitDefender maintenance in the amount of \$39,496.25 for fiscal year 2022-23. This is a planned expense and will be paid for by account 110-1025017-68307 – Information Technology/Software Licenses and Maintenance Fees.

BitDefender serves three purposes at the County:

1. County antivirus solution
2. Email filter
3. Patch management solution

Adhering to our purchasing rules, I asked for three quotes from three different vendors from which to purchase the BitDefender. I propose to award Techheads as the selected vendor for purchasing Bitdefender. The cost comparisons are as follows:

Vendor	Cost
TechHeads	\$39,496.25
Structured Communications	\$43,102.50
CDW	No quote provided

Thank you for your time and consideration.
