Re: SWAC Position

The Recology Western Oregon position previously held by Dave Larmouth has been filled by Dan Blue. This change in staff leaves a vacancy on the SWAC. Staff recommends the vacated SWAC position be filled with the new Government and Community Relations Manager for Recology Western Oregon, Dan Blue.

The applicant listed their group designation (ORS 459.320) as Employee of Permittee. Mr. Blue's appointment to SWAC would fill one of the two non-voting industry positions.

Please refer to Mr. Blue's application for his extensive experience in the Solid Waste industry.

**ACTION:**

The Board can appoint Dan Blue to a three-year term on the SWAC (staff's recommendation) or ask Recology Western Oregon to select other candidates for this position.

Thank you for your attention to this matter.
